the future sustainable economic development and well being of citizens in south east europe depend on greater economic competitiveness reinforcing the region s economic potential in a post covid 19 context requires a holistic inclusive and growth oriented approach to policy making

in early may 1940 the fortress of eben emael was a potent sentinel over the belgian dutch borderlands the fortress covered 75 hectares on the surface had 5km of tunnels underground and was studded with bunkers gun turrets and casemates add a garrison of 1 200 men and the natural protection of 60m high canal walls and eben emael gave the impression of near impregnability yet on 10 may just 78 elite airborne soldiers managed to defeat this fortress in an operation of unprecedented tactical skill deployed by glider onto the very top of the fortifications they utilized elite training fast movement and specialist explosives to destroy many of the gun positions and trap much of the garrison within the fortress simultaneously three other assault detachments conducted high risk glider operations to capture critical bridges over the albert canal by the end of 11 may following the arrival of german infantry reinforcements eben emael was in german hands this eben emael raid title tells the complete fascinating story of this unique action

this report monitors sme and entrepreneur access to finance in 37 countries

financing smes and entrepreneurs 2017 provides information on debt equity asset based finance and framework conditions for sme and entrepreneurship finance complemented with an overview of recent policy measures to support access to finance in 39 countries the sixth instalment of this

the investment report issued annually by the european investment bank provides a comprehensive overview and analysis of investment and the financing of investment in the european union it combines the exploration of investment trends with in depth analysis focusing especially on the drivers and barriers to investment activity the report leverages on a unique set of databases and survey data including eibis an annual survey of 13 500 firms in europe which focuses on their assessment of investment and investment finance conditions and which allows analysis with firm balance sheet information the report provides critical inputs to policy debates on the need for public action on investment and on the types of intervention that can have the greatest impact

the manifestation of the colonial nation state as a legal bureaucratic police structure an exploitation tool undermined customary modes of governance in colonies when post world war ii independence of colonies transferred ownership of the state structure to the colonized elite electoral and civil society politics battled for capture of this post colonial state meanwhile the state was also forced to build its legitimacy in the face of customary governance practices seeking rehabilitation and decolonization in the midst of civil wars and strife this state building social movement was further complicated with the global spread of neoliberalism and neocolonialism and herein lies the significant difference between the post colonial nation state and the western nation states this book fills the gap in literature and argues that it is necessary to foreground discussions of the nature of the post colonial nation state in examining resistance and provides a window into the dynamics of the

post colonial state and its implication in everyday organizing and resistance

most companies think of rfid radio frequency identification as a boon to supply chain management but author mickey brazeal sees it as a way to improve your customers experience and your bottom line at a time when consumers are demanding better service from product and food safety to cutting the costs of health care and bringing point of sale to the shopping cart brazeal explains how rfid will improve the customer experience while introducing efficiencies to the marketplace brazeal tackles the subject of privacy head on with a chapter that discusses how companies can use rfid to benefit customers while still respecting their privacy the future of rfid is limitless with many examples and what ifs brazeal challenges his readers to think about how rfid can improve the customer experience in countless ways the book includes an appendix to help the uninitiated learn how rfid works and a detailed bibliography for further reading
