the new testament portrays the apostles as placing great emphasis on jesus resurrection in their preaching and teaching this emphasis is often lacking however in contemporary preaching and teaching if jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood in this study brian main attempts to understand the significance of jesus resurrection in the gospel of matthew since jesus resurrection is the proper conclusion of the story in matthew it is necessary to understand what the story is that it concludes by analyzing the characters settings plot and point of view in matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 main and his readers come to grasp the expectations that matthew s audience develops as that story unfolds as readers understand those expectations they will gain a better appreciation of what was at stake when jesus experienced opposition and therefore of what was restored and guaranteed by his resurrection

the great commission is yet to be fulfilled asian churches like matthew s original audience are encountering various challenges as they obey jesus last command in the first gospel the promise of the presence of god accompanies jesus command and in matthew s narrative god s presence is seen powerfully in jesus life believers today can hold to the same promise and this promise should be an encouragement to continue preaching god s kingdom the asia bible commentary series empowers christian believers in asia to read the bible from within their respective contexts holistic in its approach to the text each exposition of the biblical books combines exegesis and application the ultimate goal is to strengthen the body of christ in asia by providing pastoral and contextual exposition of every book of the bible
