in homeric greece biblical israel and old mesopotamia the king was said to be installed by divine appointment and was regarded as having a special and privileged relationship with god or the gods

offers a real world pragmatic guide designed to help emergency department managers efficiently which handle the many complex issues that arise in this challenging clinical environment this title delivers practical solutions to virtually any problem that may arise in running an emergency department or acute care center

this is volume i of an encyclopedia representing the scholarship of hundreds of evangelical contributors who have prepared articles on virtually every person place and term mentioned in the bible the encyclopedia is based on the revised standard version but is cross referenced so that readers of other versions can easily utilize it

this text claims that chronicles provides a distinct perspective on much of israel s past especially the monarchy the author discusses how the chronicler s introduction to the people of israel redefines israel itself explains and defends the transition from saul to david and shows how the davidic solomonic monarchy was not only a time of incomparable achievement and glory but also the period during which the nations most important public institutions the davidic dynasty the jerusalem temple the priests and the levites took formative shape this text also systematically employs the dead sea scrolls to reconstruct the biblical author s text in doing so the author reveals how chronicles is related to and creatively drawn from many earlier biblical books and presents a look at its connections in both compositional style and approach to the historical writings of ancient mesopotamia and classical greece

the encyclopedia of christianity is the first of a five volume english translation of the third revised edition of evangelisches kirchenlexikon its german articles have been tailored to suit an english readership and articles of special interest to english readers have been added the encyclopedia describes christianity through its 2000 year history within a global context taking into account other religions and philosophies a special feature is the statistical information dispersed throughout the articles on the continents and over 170 countries social and cultural coverage is given to such issues as racism genocide and armaments while historical content shows the development of biblical and apostolic traditions outstanding reference sources 2000 american

libraries may 2000 comp by the reference sources committee rusa ala

this comprehensive two volume reference work explores the history of research and reflection on the meaning of the old and new testaments

includes various reports of the association

the controversial premise of history and prophecy is that the bible was created from the very outset as a work of literature and not simply handed down in the form of oral stories from one generation to another in this explosive survey of the whole hebrew bible author brian peckham cuts against the grain of scholarly opinion by taking seriously the fact that the bible is a work of literature modeled on such ancient authors as homer and hesiod and was undoubtedly the product of a literate society the creation of people who knew how to read and write for an audience that read listened and understood peckham provides the evidence that the biblical text at first was written that from the beginning it was read and provoked written response that it was quoted and alluded to in later writings that what seemed right or evident to one writer was disputed corrected and reinterpreted by another that nothing of significance in the process was erased or omitted but was preserved and inscribed with the rest for all time in this provocative book the biblical text is read as literature from start to finish as continuous meaningful and complete with distinctive literary forms and genres it was written to be read and performed its authors were poets singers orators lawyers priests and scholars whose audiences were those gathered in the squares and gates of jerusalem or who met at wells and springs scattered throughout israel it comprised occasional drama tragedy and comedy ballads and speeches debates and disputations traditional stories in short the stuff of books and libraries and literary appreciation finally history and prophecy reconstructs the history of ancient israel as it was understood and interpreted by the writers of the bible it traces the development of images and ideas about israel s origin makeup and role in world affairs from their earliest literary expression through the most exciting and difficult centuries in the nation s history book jacket title summary field provided by blackwell north america inc all rights reserved
