this book provides guidance on the technical aspects of environmental and public health investigations the authors provide practical expert advice on a range of topics from key concepts and framework for investigation to waste management case studies are used to aid learning and understand of the topics discussed

the international crimes tribunal in bangladesh was established in 2010 with the aim of bringing to trial perpetrators of crimes committed during the liberation war in 1971 through which the country seceded from pakistan the international crimes tribunal is a domestic tribunal based on the international crimes tribunals act from 1973 and the rules of procedure enacted by the tribunal itself the initiation of these trials almost 40 years after the war entails several challenges the publication examines to what extent the tribunal's legal framework as well as its jurisprudence comply with international standards as established in international treaties customary international law and in the jurisprudence of international criminal law to this end the substantive law and its interpretation as well as the procedural standards applied at these trials are examined thoroughly at the same time the analysis takes into account the political environment surrounding the tribunal's work and assesses its impact on the country's process of coming to terms with the past

children with a history of significant neglect and or physical sexual and or emotional abuse are at higher risk for developing long term emotional behavioral and mental health concerns which have implications past childhood and into adulthood early trauma impacts individuals health in ways that reach far past the obvious and immediate damage

britain remains mired in the most severe and prolonged economic crisis that it has faced since the 1930s what would it take to find a new more stable and more sustainable growth model for britain in the years ahead this important volume written by a number of influential commentators seeks to provide some answers

as a consequence of being sued by more than 20 foreign investors india terminated close to 60 investment treaties and adopted a new model bilateral investment treaty bit purportedly to balance investment protection with the host state's right to regulate this book is a critical study of india's approach towards bits and traces their origin evolution and the current state of play it does so by locating them in india's economic policy in general and policy towards foreign investment in particular india's approach towards bits and policy towards foreign investment were consistent with each other in the periods of economic nationalism 1947 1990 and economic liberalism 1991 2010 however post 2010 india's approach to bits has become

protectionist while india's foreign investment policy continues to be liberal to balance investment protection with the state's right to regulate india needs to evolve its bit practice based on the twin framework of international rule of law and embedded liberalism

the african charter on human and peoples rights achpr is the principle regional human rights treaty for the african continent adopted in 1981 there is now a significant body of jurisprudence and interpretation by its african commission on human and peoples rights and the recently established african court this volume provides a comprehensive article by article legal analysis of the provisions of the charter as it draws upon the documents adopted by the african commission including resolutions case law and concluding observations where relevant case law adopted by the african court on human and peoples rights and that of other sub regional courts and tribunals and domestic courts in africa are also incorporated the book examines not only the substantive rights in the african charter but also the work of the african commission on human and peoples rights and provides a full examination of its mandate a critical analysis of each of the provisions of the achpr is led principally by the jurisprudence and documentation of the african commission and african court the text also identifies the overall development of the achpr within the broader regional and international human rights legal arena

the polar regions the arctic and antarctic have enjoyed widespread public attention in recent years as issues of conservation sustainability resource speculation and geopolitical manoeuvring have all garnered considerable international media inter

russian businesses in the post soviet period have been noted for their unusual sometimes allegedly corrupt business practices and for their role in the enrichment of oligarchs this book which includes a wide range of case study examples and which draws on the author's first hand experience of running a russian company argues that a key to understanding contemporary russian business is the importance of arbitrage that is the ability to take advantage of price and cost differentials in different markets the book argues that the conditions for such arbitrage advantages are often created by businesses which have special links to particular institutions that arbitrage benefits are not available to all businesses in a sector thereby providing unfair competitive advantages to some businesses and that businesses overall activities are often distorted by this system the book includes an analysis of a wide range of different types of arbitrage activities in action

the 21st century father is expected to be actively engaged in the everyday care of his children as epitomised by the celebrated dad of children's cartoon bluey the blue beeler bandit fathering an australian history explores why men often struggle to meet social and cultural expectations the authors groundbreaking research reveals the forces that have shaped australian family life and fathering since the early twentieth century and how australian fathers have managed the evolving role and its responsibilities focusing on lived experience and drawing upon a century of personal accounts fathering shows how fathers have participated in raising their children as the world changed their family roles and the relationships they form with their children it reveals how the experience of being a father is as much shaped by social class and material wellbeing as it is by race and ethnicity geography and sexuality and by family legacy and personal character the first comprehensive history of australian fathering fathering transforms our understanding of men's experience of parenthood showing how fathers from diverse backgrounds including migrant and indigenous dads have negotiated their role in changing circumstances

a core study text for the att qualification
