the handbook of comparative higher education law addresses legal issues from institutions of higher learning in seventeen countries on all six inhabited continents in a reader friendly manner all chapters follow the same outline on institutional issues faculty rights student rights and emerging issues so that similarities and differences can be

compared an introductory chapter provides an overview on the legal status of higher education as selected in various international covenants in addition a concluding chapter draws the themes addressed throughout the book together and centers on the concept of best practice management this book serves as valuable resource for educational practitioners in higher education insofar as it provides them with an enhanced awareness of strategies that are being used to manage problems commonly faced in multiple educational settings

not much has been written about the private education sector in singapore despite the fact that the sector houses about 300 private education institutions peis and enrolls about 150 000 students private education in singapore contemporary issues and challenges is an exciting book that aims to fill a gap in the literature in the book the author offers an extensive discussion on i the key elements of the sector types and features of the peis ii the regulatory framework for private education iii students aspiration and the impact of the aspire report on peis and iv the provision of external degree programme through transnational partnership the book also tackles the hotly debated discussion in relation to academic quality and standard of pei courses the author identifies the reasons some of them have more characteristics of a myth and suggests a number of ways to overcome the issues and challenges

the financial service act 2010 is a milestone with regard to the regulation of the financial sector in the uk it came into force in april 2010 this book contains the whole text of the regulation as well as the explanatory notes

in an effort to balance the protection of reputation and the right to free speech the uk parliament attempted to fundamentally transform english libel law through the defamation act 2013 this book evaluates the success of this attempt by means of a comparative analysis of relevant law in the united states of america us germany and the european court of human rights it examines the reasons that it was deemed necessary to reform the common law of defamation in england and wales the changes wrought by the act and the case law it has engendered as defamation often occurs internationally the book also takes a broad comparative look at the way in which other relevant

jurisdictions attempt to balance reputational protection and free speech the natural starting point is the us where freedom of expression is strongly protected by the us constitution from there the focus shifts to germany where both competing legal interests are likewise given constitutional protection the european court of human rights jurisprudence is also examined because of its highly developed balancing approach and its general reflection of european legal thinking recent high profile defamation cases such as those concerning the actors johnny depp and amber heard decided in the uk as well as the us form interesting and informative case studies the final section of the work rates the libel reform attempted in the uk against its own benchmarks provides suggestions about the way in which it is developing and concludes that valuable lessons can still be learnt from the comparator jurisdictions the book will be essential reading for those working in the areas of human rights law and media law
