globalization has brought in numerous opportunities for the teeming millions with more focus on the students overall capability apart from academic competence many students particularly those from non english medium schools find that they are not preferred due to their inadequacy of communication skills and soft skills despite possessing sound knowledge in their subject area along with technical capability keeping in view their pre employment needs and career requirements the book will help the students to change their traditional mindsets from controlling to creativity to employee empowerment and organizational learning to gain skills in the language which has become the international lingua franca a language of global economy all the chapters are full of gems and rubies but the chapters based on resume writing group discussion conducting meetings interview skills grammar etc are the black pearls in the treasure trove also the chapters are dainty detectable and delightful as part and parcel of your reading writing and speaking skills this book will surely empower students with the language and life skills they need to carry out their career goals it also provides ample opportunities for the students to build awareness and practice the language in real life scenarios its integrated skills approach develops the students self confidence to survive and succeed in professional and social encounters within the english speaking global community

do you know how to communicate with people effectively avoid conflicts and get what you want from life it s mostly about what you say but also about when why and how you say it do the things you usually say help you or maybe hold you back my people have you ever considered how many times you intuitively felt that maybe you lost something important or crucial simply because you unwittingly said or did something

which put somebody off maybe it was an unfortunate word bad formulation inappropriate joke forgotten name huge misinterpretation an awkward conversation or a strange tone of your voice maybe you assumed that you knew exactly what a particular concept meant for another person and you stopped asking questions maybe you asked so many questions you practically started an interrogation maybe you could not listen carefully or could not stay silent for a moment how many times have you wanted to achieve something negotiate better terms or ask for a promotion and failed miserably it's time to put that to an end with the help of this book lack of communication skills is exactly what ruins most peoples lives if you don't know how to communicate properly you are going to have problems both in your intimate and family relationships you are going to be ineffective in work and business situations it's going to be troublesome managing employees or getting what you want from your boss or your clients on a daily basis overall effective communication is like an engine oil that makes your life run smoothly getting you wherever you want to be there are very few areas in life in which you can succeed in the long run without this crucial skill what will you learn with this book communication skills how to improve successful communication skills communication skills at work place communications skills that will lead kids to success why better communication skills result in more secret of life's communication skill communication types effect of communication the process communication communication skills in relationships this is the most critical book to learn in order to become a skilled communicator and use it for personal and professional gain start improving your life today by getting this book

years of observation and reflection in a classroom session allow us to continuously reinvent the wheel of teaching and learning pedagogy this continuous introspection and reinvention orients into best practices in the same stream this articulation is an outcome of immaculate observation meant for learners at the tertiary level the scholarly approach adopted in this book aligns with the requirement of acquiring a language

especially the speaking skills the need for effective communication skills in the new millennium has surged and has become all the more important english continues to be the dominant language in science technology engineering and management stem it is therefore obvious that the growth curve of a person hinges on effective communication skills to perform exceptionally well in interviews and group discussions it is imperative for students to manage their communication skills effectively this book attempts to prepare the students to excel in it as well as group discussions and give an impressive interview which will ultimately increase their credibility indians have always had the upper hand in international scenario due to their exceptional english language and communication skills however as we see from the last decade many non english speaking countries especially china korea and others are honing and improving their english skills and trying to shake india s numero uno position hence it has become necessary that we indians continuously upgrade and improve our communication skills to maintain its position at global level therefore this book is packed with practical tactics and tasks within a framework of ten chapters the live situations used for discussions give an insight into the corporate work culture and this makes the learner familiar with business vocabulary a brief explanation of concepts followed by activities gently transcends the conversation skills from a preliminary level of self introduction to an advanced level of board room presentation the additional topics on ethical dilemma and group discussions are meant to stimulate the thought process of the students and engage them in an interactive conversation this handbook has also been drafted to serve english teachers who can evaluate students with the help of the given rubrics and make the sessions vibrant and simplify the teaching learning process speaking and interacting with a partner will encourage a slow learner to overcome the hesitancy and speak freely imagine a learner centered classroom bustling with students engaged in speaking activities using gestures facial expressions body language and intonations without the fear of being assessed this book guarantees to evoke enthusiasm and the students will begin to communicate with a panache

communication skills are important to living a happy and prosperous life effective communication includes honesty trust love bonding sharing care and friendship between various types of communities religions and people effective communication skills align all people in one direction that inspires development in society culture and economic activities with experience and practice you can learn and improve on your communication skills start by identifying your strengths and then practice and develop those areas this book will help you know more about the importance of communication skills and recommend many ways to improve them in this book you can find communication and communication skills benefits of communication skills how to improve your communication skills social intelligence improvement presentation skills improvement persuasion improvement better public speaking
