reality tv has changed television and changed reality even if we are not among
the millions who watch written for a broad audience this accessible overview
addresses questions such as how real is reality tv how do its programs represent
gender sex class and race how does reality tv relate to politics to consumer
society to surveillance what kind of ethics are on display drawing on current
media research and the author s own analysis this study encompasses the
history and evolution of reality television its production of reflexive selves and
ordinary celebrity its advertising and commercialization and its spearheading of
new relations between television and social media to dismiss this programming
as trivial is easy deery demonstrates that reality television merits serious
attention and her incisive analysis will interest students in media studies cultural
studies politics sociology and anyone who is simply curious about this global
phenomenon
