im vorliegenden band wird husserls 1920 erstmals gehaltene und 1924 wiederholte vorlesung über ethik veröffentlicht in ihr wendet sich husserl nach einer systematischen bestimmung des begriffs der ethik einer kritischen darstellung der geschichte der ethik zu diese darstellung ist am gegensatz von rationalismus und empirismus orientiert der sich in der ethik in den gegensätzlichen ansätzen der verstandes und gefühlsmoralisten zeigt im rahmen einer

auseinandersetzung mit klassischen positionen aus der geschichte der ethik versucht husserl die grundlagen seiner eigenen ethik zu gewinnen und darin die traditionellen gegenüberstellungen zu versöhnen so steht für husserl die gefühlsgrundlage der moral nicht im widerspruch zur idee eines absoluten sollens an der husserl im an schluss an kant und fichte festhält husserls ausführungen gipfeln in dem ideal eines universalen vernunftbestimmten willenslebens in dem alle aktsetzungen endgültig zu recht fertigen wären zur vorlesung gehört ein umfangreicher exkurs in dem husserl durch eine phänomenologische analyse des unterschieds zwischen sach und normbegriffen den wissenschaftstheoretischen charakter der ethik als normativer geisteswissenschaft bestimmt

arne grøn s reading of soren kierkegaard s authorship revolves around existential challenges of human identity the 35 essays that constitute this book are written over three decades and are characterized by combining careful attention to the augmentative detail of kierkegaard s text with a constant focus on issues in contemporary philosophy contrary to many approaches to kierkegaard s authorship grøn does not read kierkegaard in opposition to hegel the work of the danish thinker is read as a critical development of hegelian phenomenology with particular attention to existential aspects of human experience anxiety and despair are the primary existential phenomena that kierkegaard examines throughout his authorship and grøn uses these negative phenomena to argue for the basically ethical aim of kierkegaard s work in grøn s reading kierkegaard conceives human selfhood not merely as relational but also a process of becoming the self that one is through the otherness of self experience that is the body the world other people and god this book should be of interest to philosophers theologians literary studies scholars and anyone with an interest not only in kierkegaard but also in human identity

karl barth s commentary on paul s epistle to the romans in its two editions 1919 and 1922 is one of the most significant works published in christian theology in the 20th century this book which landed like a bombshell on the theologians playground still deserves close scrutiny one hundred years after its publication in this volume new testament scholars philosophers of religion and systematic theologians ponder the intricacies of barth s expressionistic commentary pointing out the ways in which barth interprets paul s epistle for his own day how this actualized interpretation of the apostle s message challenged the theology of barth s time and how some of the insights he articulated in 1919 and in 1922 have shaped christian theology up to our day with his commentary the young swiss pastor paved the way for a renewed intensely theological interpretation of the scriptures the volume thus centers on some of the key themes which run through barth s commentary faith as divine gift beyond any human experience or psychological data the easter event as the turning point of the world s history god s judgment and mercy and god s one word in jesus christ this volume represents a major contribution to the interpretation of karl barth s early thought

the hypothesis that the gospel of mark was heavily influenced by pauline theology and or epistles was widespread in the nineteenth century but fell out of favour for much of the twentieth century in the last twenty years or so however this view has begun to attract renewed support especially in english language scholarship this major and important collection of essays by an international team of scholars seeks to move the discussion forward in a number of significant ways tracing the history of the hypothesis from the nineteenth century to the modern day searching for historical connections between these two early

christians analysing and comparing the theology and christology of the pauline epistles and the gospel of mark and assessing their reception in later christian texts this major volume will be welcomed by those who are interested in the possible influence of the apostle to the gentiles on the earliest gospel

the present publication is a continuation of two earlier series of chronicles philosophy in the mid century firenze 1958 59 and contemporary philosophy firenze 1968 edited by raymond klibansky as with the earlier series the present surveys purport to give a survey of significant trends in contemporary philosophical discussion the need for such surveys has i believe increased rather than decreased over the last years the philosophical scene appears for various reasons rather more complex than ever before the continuing process of specialization in most branches the emergence of new schools of thought particularly in philosophical logic in the philosophy of language and in social and political philosophy the increasing attention being paid to the history of philosophy in discussions of contemporary problems as well as the increasing interest in cross cultural philosophical discussion are the most important contributory factors surveys of the present kind are a valuable source of knowledge about this complexity and may as such be of assistance in renewing the understanding of one's own philosophical problems the surveys it is to be hoped may help to strengthen the socratic element of modern philosophy the world wide dialogue or kommunikationsgemeinschaft so far six volumes have been prepared for the new series the present surveys in asian philosophy vol 7 follow the surveys in the philosophy of language and philosophical logic vol 1 philosophy of science vol 2 philosophy of action vol 3 philosophy of mind vol 4 african philosophy vol 5 and medieval philosophy part 1 2 vol 6

## Introduction

The digital age has revolutionized the way we read, making books more accessible than ever. With the rise of ebooks, readers can now carry entire libraries in their pockets. Among the various sources for ebooks, free ebook sites have emerged as a popular choice. These sites offer a treasure trove of knowledge and entertainment without the cost. But what makes these sites so valuable, and where can you find the best ones? Let's dive into the world of free ebook sites.

## Benefits of Free Ebook Sites

When it comes to reading, free ebook sites offer numerous advantages.

## **Cost Savings**

First and foremost, they save you money. Buying books can be expensive, especially if you're an avid reader. Free ebook sites allow you to access a vast array of books without spending a dime.

## **Accessibility**

These sites also enhance accessibility. Whether you're at home, on the go, or halfway around the world, you can access your favorite titles anytime, anywhere, provided you have an internet connection.

## **Variety of Choices**

Moreover, the variety of choices available is astounding. From classic literature to contemporary novels, academic texts to children's books, free ebook sites cover all genres and interests.

## **Top Free Ebook Sites**

There are countless free ebook sites, but a few stand out for their quality and range of offerings.

### **Project Gutenberg**

Project Gutenberg is a pioneer in offering free ebooks. With over 60,000 titles, this site provides a wealth of classic literature in the public domain.

### **Open Library**

Open Library aims to have a webpage for every book ever published. It offers millions of free ebooks, making it a fantastic resource for readers.
