este libro no es una biografía al uso ni tampoco un canon de sabias lecturas para una vida es una obra hecha de artículos y entrevistas que quiere ser un retrato intelectual y en su contorno un relato cultural español la biografía podría llamarse confieso que he leído y el panorama generacional una época entre los mejores libros leopoldo calvo sotelo 1926 2008 ingeniero de caminos fue un destacado hombre de la industria y de la vida pública española que desempeñó durante la transición funciones políticas muy relevantes hasta ocupar la presidencia del gobierno pero fue también un lector insólito un viajero incansable buen navegante gran aficionado a la música la montaña y la observación del cielo miembro de algunas de las instituciones académicas más importantes de España y autor de libros de memorias este volumen junto a uno de los más completos estudios hecho nunca sobre la biblioteca unos doce mil libros de una figura política contemporánea también nos ofrece la radiografía de las inquietudes intelectuales de una generación de españoles

how was the female body perceived in the popular culture of late nineteenth century Spain using a wide array of images from popular magazines of the day Lou Charnon Deutsch finds that women were typically presented in ways that were reassuring to the emerging bourgeois culture Charnon Deutsch organizes the 190 images reproduced in this book into six broad categories or fictions of the feminine she reads women's bodies as a romantic symbol of beauty or evil as a privileged link with the natural order as a font of male inspiration as a mouthpiece of bourgeois mores as a focalized point of male fear and desire and as an eroticized expression of Spanish exoticism and political ambitions these imaginary visions of femininity Charnon Deutsch argues were a response to and also helped to create gendered stereotypes by suggesting ideal feminine behavior and poses further they comprised a reassuring between male cultural medium that provided graphic validation of women's docile body for a culture enthralled with femininity integrating the fields of literature and cultural studies Charnon Deutsch's approach to this subject is unique many of the images collected here are available for the first time and they represent only a fraction of the two thousand images Charnon Deutsch collected during her research this book will appeal to students of Spanish cultural studies and gender studies as well as to art historians

este libro se construye sobre un doble eje Franco no quiso hacer otra cosa que establecer un principio de autoridad suprimiendo los partidos políticos el autor explica como se sucedieron en el tiempo tres regímenes bien diferenciados el primero tendente a un totalitarismo de estado el segundo pretendió ser una adaptación a las corrientes cristianas posteriores a la segunda guerra mundial y el tercero fue una tecnocracia preparación para el restablecimiento de la monarquía la documentación que en otras obras del autor ya se ha reflejado más ampliamente es la apoyatura fundamental de un texto que trata de huir de filias y fobias manteniéndose en

los límites del oficio de historiador que debe explicar pero no juzgar en fin con este libro se pretende proporcionar al lector un instrumento para el conocimiento de toda una época que ocupa las décadas centrales del siglo xx

una de las fuentes mejores para el estudio de las tendencias teatrales dominantes en la farándula madrileña entre 1918 y 1936 es sin duda la de la crítica teatral en los diarios de la época entre los periódicos del momento abc se destacaba en un sentido doble en primer lugar era el diario más leído y posiblemente de más influencia en la sociedad del período en segundo era el que mejor correspondía a los gustos estéticos y la ideología reinantes en el mundillo teatral por consiguiente este estudio ofrece un análisis esmerado de las aproximaciones críticas a los géneros los dramaturgos las obras y los temas revisados por abc precisa también las expectativas que allí imperaban así como las tendencias estéticas más influyentes en el público madrileño del período
