these two important contrasting poems one secular the other religious give some idea of the creative powers of one of the most outstanding women of the renaissance in europe as sister of francis i and later queen of navarre she played an important role in politics and through her patronage of men of letters and theologians as well as her own writings she made a significant contribution to the intellectual and religious life of her time after her death in 1549 her collection of tales the heptameron continued to be read but she was barely remembered as a poet until the manuscript of her longest and greatest poem les prisons was discovered and published in 1896 by abel lefranc in the last half century increasing academic interest and the publication of scholarly editions of her poems ensure better appreciation of the queen s gifts as a poet and visionary it is hoped that these translations in english verse like that of les prisons may appeal to readers who could be daunted by the original french

this collection of essays examines various rituals and ceremonies in american popular culture including architecture religion television viewing humor eating and dancing

in the personal wealth coach jeff takes us through a fascinating history of investing from the first cave man chipping on a rock to modern portfolio theory and beyond

a photo illustrated pamphlet on the history of the hispanic stage in the southwest from the mid nineteenth century to the present

rituals are closely linked with culture this book is a consideration of christian ritual in our culture it was originally written particularly with an eye to the ritual developments in the netherlands which can be considered as representative for our western european culture it has been revised and expanded for the english edition as in other european countries in the 1960s dutch society witnessed a serious crisis in ritual the situation was paradoxical while under the influence of the second vatican council and the liturgical movement in the catholic churches there was a great creativity with regard to

ritual ritual was gradually disappearing from the society at large and participation in christian ritual was rapidly draining away a religious void arose however since then the situation has changed fundamentally rituals were rediscovered in the 1990s indeed to such an extent that one can now speak of rituals in abundance in this book the author sketches out the directions and sets out signposts for where ritual is going in contemporary culture he traces the peculiar characteristics of ritual indicates what shifts have taken place and tries to further define the identity of various rituals in doing this he concentrates on the question of the place of christian ritual in our culture how is christian ritual connected with the many rites in our culture what new shape is it taking on in our culture in the midst of the other rites what is the peculiar identity of christian ritual in this book the accent is on the anthropological approach to christian ritual it works from the bottom up the book seeks answers to the questions being asked in the discipline of ritual studies which particularly since the second half of the 1980s has arisen as an important realm or stage on which different disciplines studying ritual come together

this book presents readers with scholarship on public celebrations and popular culture throughout mexican history leading scholars from the americas and great britain discuss aspects of mexico s popular culture from the seventeenth century to the present the vast range of mexican expression is examined including corpus christi celebrations new spain stone murals and folk theater filling a need that becomes ever more pressing this volume provides fresh insights
