in reframing the reclaiming of urban space a feminist exploration into do it yourself urbanism in Chicago Megan E. Heim LaFrombois explores the concept of do it yourself diy urbanism from an intersectional feminist analytical framework interventions based on diy urbanism are small scale and place specific and focus on urban spaces which can be reclaimed and repurposed often outside of formal urban planning institutions Heim LaFrombois examines the discourses and processes surrounding the institutionalized and embedded nature of diy urbanism she weaves together sites and sources to reveal the ways in which diy urbanists make sense of their participation and experiences with diy urbanism and with the broader political social and economic contexts and spaces in which these activities take place her research findings contribute to and build on current research that illustrates the importance of gender race class and sexuality to cities local politics urban planning initiatives and the development of communities

now celebrating its eleventh edition *Ionian* has once again been thoroughly updated with new photos and plans covering the coast and islands southwards from Corfu to Finakounda and eastwards to Mesolongion this much loved guide contains more detail of many of the smaller anchorages and harbours than are comprehensively covered in Rod Heikell's *Greek Waters Pilot* like its companions *West Aegean* and *East Aegean* *Ionian* is ideal for charterers and flotilla sailors who are onboard for a relatively short time but also for longer term cruisers on their own yachts who are looking for additional pilotage and background information for this popular cruising ground as with all the Heikell guides *Ionian* not only gives all the essential information you need but also exudes the charm and flavour of this corner of the Mediterranean Heikell's style is easy to digest and gives pleasure in the details of the history geography and social circumstances of the places described as well as the essential sailing information the little ship this book as well as being a practical manual on *Ionian* cruising seems to have absorbed much of the author's personal feelings regarding the charm which draws him back to it and any reader who has had a whiff of the magic spell of the Greek islands will sense this and inevitably renew the resolve to return and experience it once again in greater measure nautical magazine Rod Heikell nowadays is to the Mediterranean as gin is to tonic it is difficult to imagine sailing there without one of his guides clear pilot notes chartlets and plentiful illustrations with entertaining commentaries on each place up to date observations on local and national regulations the new edition does not disappoint if one must choose I would have no hesitation in recommending Heikell cruising association Rod has a knack for dropping in snippets of interest and colour to give the reader a feel for the atmosphere of each port or bay yachting monthly like all

rod heikell s pilots it is also a travel guide in its own right ionian magazine the sailing directions are particularly useful when entering the smaller anchorages and harbours for which little information is to be found on charts and include excellent harbour plans and top quality aerial photographs flying fish magazine ocean cruising club

this report provides 2001 calendar year data of tribal enrollment service population and labor force information for the nation s 562 federally recognized indian tribes and includes several corporate and at large alaska tribal entities that were formed as a result of the alaska native claims settlement act of 1971
