Are you a new in public speaking or looking to up your game as a public speaker? Are you struggling to get your message out or not sure how to combat the nerves of speaking publicly? *How to Speak in Public* is a great guide to help you make a move from an average speaker to being someone who people admire and respect. As an effective communicator, mastering the skills of communication can be a complex and daunting task, but with this, those complexities are broken down into 7 easy and actionable steps. When you are preparing for a speaking engagement, you have so many things to consider and so many levels to assess. You not only need to accomplish the tasks you are personally assigned but also navigate those that your audience expects all along the way: encouraging and motivating them to buy into your message. You have to walk a fine line between being a communicator and influencer. Within these chapters, you have the autonomy to find out what that looks like for you. The guidance you can gain will allow you to grow personally and help you to take your public speaking to the next level. It is time for you to start recognizing that so much can be gained from looking within and pushing to be the best version of yourself. You will learn how to formulate a plan, public speaking techniques for preparing a speech, developing the craft of public speaking, how to recognize potential, how to engage your audience, how to read the body language of your audience, how your body language affects your delivery, how to build your confidence, how to combat your nerves as a public speaker, and much more. Regardless of where you are on your journey as a public speaker or if you're just thinking about it for the future, this can provide you with a guide for success. It's time to take the plunge and

grow
