the jewish community of early modern venice was perhaps the leading jewish community of its time it emerged as a response to the desire of the venetian government to make credit readily available and toward the end of the 16th century it greatly expanded as venice faced with a serious decline in its international maritime trade adopted a policy of attracting iberian new christian merchants yet jews were still treated as the other and subjected to restrictions and discriminatory measures including confinement to a segregated enclosed quarter the ghetto despite this the interplay between economically motivated *raison d'etat* and traditional religious hostility resulted in a delicate balance which enabled the jewish community of venice to assume a real leadership role in the world of the iberian jewish diaspora based extensively on previously unconsulted documents these articles deal with central issues in the experience of the jews of venice and so of diaspora jewish history in general the jewish quarter maritime trade and urban moneylending the jewish distinguishing head covering relations with church and state the forced baptism of jewish minors the converso problem and anti judaism

in the charm of venice an anthology alfred h byatt masterfully curates a tapestry of writings that capture the enchanting allure of venice weaving together voices from poets travelers and historians who have been mesmerized by the city's timeless beauty and mystique this anthology transports readers through the winding canals and vibrant piazzas evoking the romance and intrigue that have inspired countless artists and dreamers themes of love art and the ephemeral nature of beauty resonate throughout inviting readers to reflect on the enduring magic of venice and its relevance in a world that often forgets the importance of preserving cultural heritage as you turn each page you will find yourself immersed in a city where history whispers through every stone and where the past and present dance in a delicate balance in today's fast paced society this anthology serves as a poignant reminder of the value of slowing down to appreciate the intricate tapestry of human experience and the profound connections that transcend time and place with its rich tapestry of voices the charm of venice is not just a tribute to a city but a celebration of the universal human spirit inviting readers to embark on a journey of discovery and reflection

venice was a major center of european trade in the 17th and 18th centuries it was always full of people and had a lot of energy venice was also one of the cities where gambling was really popular special houses called ridotti were at the center of this gambling culture ridotti were spaces set aside just for gambling it was kind of like a casino today

despite the growing critical relevance of shakespeare's two venetian plays and a burgeoning bibliography on both the merchant of

venice and othello few books have dealt extensively with the relationship between shakespeare and venice setting out to offer new perspectives to a traditional topic this timely collection fills a gap in the literature addressing the new historical political and economic questions that have been raised in the last few years the essays in this volume consider venice a real as well as symbolic landscape that needs to be explored in its multiple resonances both in shakespeare s historical context and in the later tradition of reconfiguring one of the most represented cities in western culture shylock and othello are there to remind us of the dark sides of the myth of venice and of the inescapable fact that the issues raised in the venetian plays are tremendously topical we are still haunted by these theatrical casualties of early modern multiculturalism

in this sequel to babylon s bankers the bankers have moved from mesopotamia via rome to venice there they have manipulated popes and bullion prices clipped coins sacked constantinople destroyed rival florence waged war burned heretics and suppressed hidden secrets threatening their financial supremacy until giordano bruno and christopher columbus broke the banking cartel s control of information and bullion

presents a brief history of venetian art and then catalogues each known piece of venetian art that depicts watercraft through detailed analysis of these images the author reveals important facts about the construction rigging and use of these watercraft

in this colourful new history of venice elizabeth horodowich one of the leading experts on venice tells the story of the place from its ancient origins and its early days as a multicultural trading city where christians jews and muslims lived together at the crossroads between east and west she explores the often overlooked role of venice alongside florence and rome as one of the principal renaissance capitals now as the resident population falls and the number of tourists grows as brash new advertisements disfigure the ancient buildings she looks at the threat from the rising water level and the future of one of the great wonders of the world

myths of venice is concerned not only with the official iconography of state per se but with the ways in which such imagery resonates within a culture the ways in which visual motifs acquire an aura of association and allusion dependent upon a network of shared values and habits of interpretation book jacket

selection of critical essays university undergraduate level

at once the most comprehensive and the most engaging history of venice available in english this book will be treasured by all those who share the author s fascination with the most beautiful and magical of cities book jacket
