the lightheartedness of these works both masks and enhances their engagement with provocative issues of continuing interest today conduct in society literary practice and moral praxis relations between men and women the value of received wisdom this volume offers texts of two medieval french poems by christine de pizan the epistre au dieu d amours and dit de la rose together with the first translation of these poems into modern english the medieval english adaptation of christine s epistre thomas hoccleve s the letter of cupid is likewise presented here and provided with a modern english translation finally an eighteenth century version of hoccleve s poem george sewell s the proclamation of cupid is edited here for the first time the editions of these poems by christine last edited a century ago are based on the most recent scholarly findings the edition of hoccleve s poem reproduces its authorial punctuation from manuscript for the first time and thus sheds light on the vexed question of fifteenth century english metrics the lively modern english translations of both can be used by students scholars and the general reader

this book on the role of written and iconographic communication in the atlantic world combines a broad outlook geographically and chronologically with the precise treatment of specific evidence extracted from the sources the author argues that diatribes against chivalric fiction and the index of prohibited books did not prevent

proscribed literature from circulating freely on both sides of the atlantic on the contrary he notes such prohibitions may have increased the lure of certain books a description of the process of registering and inspecting ships in seville and upon reaching their destinations highlights opportunities for contraband smuggling fraud and the corruption of officials entrusted with regulating the trade within the prominent spiritual genre the author documents a shift from erasmian to tridentine thinking the registers analyzed also suggest the growing popularity of literary works by cervantes mateo alemán and lope de vega it opens a fascinating window onto the book trade in the americas different forms of participation in this culture included the use of books as fetishes and the possession of printed devotional images the analysis of books as well as printed images supports larger contentions about their role as agents of evangelization and westernization this book certainly opens up new worlds on the impact of books and images in the atlantic world
