effective sustainable cultural change requires evolution not disruption the corporate culture survival guide is the essential primer and practical guide every organization needs corporate culture pioneer edgar h schein breaks the concept of culture down into real terms delving into the behaviors values and shared assumptions that define it and explains why culture is the central factor in an organization s success or failure this new third edition is designed specifically for practitioners needing to apply these practices in real world settings and has been updated with new coverage of globalization technology and managerial competencies you ll learn how to get past subconscious bias to assess whether or not your existing culture truly serves your organization and how to introduce change and manage the change process over time for a best case scenario outcome case studies illustrate successful change in real companies providing models and setting the bar for dismantling dysfunctional cultures corporate culture begins with the founder and evolves or not over time is your culture working for or against your organization how can it be optimized this book separates the truth from the nonsense to provide real world guidance on initiating and managing cultural change understand when to assess your culture and how to do it objectively learn how cultures evolve and change over time for better or worse discover the reality of multiculturalism amidst the rise of globalization evolve your culture to more effectively serve your organization each of us is a part of many cultures what you do where you

live where you grew up what you enjoy how you live in the workplace many different people with many different cultures come together toward a common goal will these cultures clash or synergize the corporate culture survival guide shows you how to create an overarching corporate culture that gets everyone on the same page to drive your organization's success

williams has done the unthinkable and spilled the beans identifying the 10 fit factors that define a company's culture his text provides a map to navigate the back doors and underground paths that lead to corporate success

published in great britain and the rest of the world by profile books ltd t p verso

explains the evolution of corporate culture and proposes ways to transform cultural theory into corporate practice lessem illustrates the four major approaches to managing cultural change available to managers today primal rational developmental and metaphysical

corporate culture team culture is the first book to address in depth the issue of changing the organizational culture to support team effectiveness it also presents a practical proven model for achieving such transformation and illustrates the process with three extended case studies and numerous additional examples of the model in action to create high performing teams the authors say we must first acknowledge that teamwork doesn't come naturally while individuals and organizations are trained to pay lip service to the value of working together this approach actually clashes with cultures that reward looking out for number 1 add in the turf battles that still smolder in most workplaces especially in companies that have recently merged or downsized and teams can become powder kegs yet as the book's examples reveal teaming is a vital way to structure work and meet today's business challenges whether your organization is fine tuning its team efforts or just starting out corporate culture team culture shows you how to

succeed by tackling cultural issues from the ground up

two e books in one investing between the lines investing between the lines introduces a revolutionary method for evaluating the financial integrity of a company you don t need special access to insider information or a degree in accounting to figure it out in fact the secret is right in front of you in black and white in the words of every shareholder letter annual report and corporate correspondence you receive the book shows you how to decipher the fog of confusing company communications decode the real meaning behind corporate jargon and platitudes separate the facts from the fluff in annual reports and quarterly earnings calls safeguard your money by investing in companies that steward investor capital buffett s bites investing principles from the master millions of people download warren buffett s shareholder letters searching for tips from the world s greatest investor many miss the best part of his letter his principles it is their loss following these principles buffett has turned berkshire hathaway a struggling textile manufacturer into one of the most respected companies in the world early investors have become billionaires this essential guide to buffett s shareholder letters highlights what the pundits aren t telling you and what you can learn about building long lasting wealth in buffett s bites l j rittenhouse ceo candor expert and former wall street banker serves up an in depth look at buffett s 2008 shareholder letter highlighting 25 tantalizing nuggets of wisdom these bites afford an inside look at buffett s unconventional ways that have created berkshire hathaway s unrivaled success

leverage the ceo s guide to corporate culture a book specially written for the ceo and business leader to better understand what corporate culture is why it matters the impact on performance where culture comes from how to better understand the strenghts and weaknesses of your own culture and importantly how to develop and sustain high performance culture with over 35 years of experience advising ceos and senior executive teams of global

organizations international business consultant and author john r childress brings to life the important elements of corporate culture including the role of leadership approaches to culture change culture myths culture surveys and assessments and the role of culture in business performance and mergers acquisitions the writing style is direct and to the point since ceos and business leaders have little time to wade through consultant gobbledygook or academic text leverage is also filled with examples and case studies that bring the topic of corporate culture to life you need to read this book before your ceo does frank tempesta former ceo textron systems companies this is the book every ceo has been waiting for an insightful synthesis into the important topic of corporate culture why it matters and how to separate the valuable from the bad michael j mcneally aivia corporation this book is both practical insightful and honest in separating the facts from the fallacies about corporate culture

reveals how the new technologies of mass culture the phonograph radio and film played a key role in accelerating the diffusion of jazz as a modernist art form across the nation's racial divide focuses on four cities new orleans new york chicago and los angeles to show how each city produced a distinctive style of jazz
