this collection focuses on generations of early women historians seeking to identify the intellectual milieu and professional realities that framed their lives it moves beyond treating them as simply individuals and looks to the social and intellectual forces that encouraged them to study history and at the same time would often limit the reach and define the nature of their study this collection of essays speaks to female practitioners of history over the past four centuries that published original histories some within a university setting and some outside by analysing the values these early women scholars faced readers can understand the broader social values that led women historians to exist as a

unit apart from the career path of their male colleagues

the book indian women across generations brings forth the life and predicament of women including in its narration the discriminations and denials to them in the past as well as in the present in particular areas of activities it attempts to chronicle the struggles and achievements of the generations highlighted through their experiences the study derives much of its strength and sophistication from the basis of women s experiences of oppression that they continued to experience daily and exclusions of various kinds the pain anger helplessness and mental turmoil of women of the bygone eras the anger assertiveness of the present age all put together created new identity for women the book provides a wider perspective on the roots of women s lifestyles in general and interrelated development issues of women across five generations over a period dating back to a century 1900 to 2000 in particular the focus is to assess the forces which goaded women to act against the currents of their times the conditions which insulated them from society s expectations giving them strength energy and a sense of destiny and determination to not to accept the conventional or say pathetic and submissive female roles women have come a long way since a century back though all development are not universally applicable the book interestingly highlights the insights and challenges of indian women belonging to different generations and different age groups this book will be an asset for those interested in women studies and an illuminating and provocative book for all others concerned with women issues
