the handbook of new age is a comprehensive survey of alternative spiritualities their history their global impact their cultural influence and how they are understood by scholars chapters by many of the leading scholars of the movement give the latest analysis of contemporary spiritual trends and present up to date observations of the interaction between the new age movement and many different fields of knowledge and research

the first true social history of the phenomenon known as new age culture children of the new age presents an overview of the diverse varieties of new age belief and practice from the 1930s to the present day drawing on original ethnographic research and rarely seen archival material it calls into question the assumption that the new age is a discrete and unified movement and reveals the unities and fractures evident in contemporary new age practice

people everywhere are asking what is the new age this book gives insightful answers to many of your questions regarding this movement and the practices associated with it you ll learn how to identify new age beliefs when you are confronted with them most important this easy to follow book gives you practical advice for sharing the gospel with people involved in the new age movement

this book begins with a comprehensive historical section that places the new age within the context of its predecessor movements it then focuses on specialized aspects of this subculture from essays on the convergence of new age spirituality with women s spirituality to an essay on how evangelical christians have responded to the movement the book also examines the international impact of the new age

based largely on research in popular journals self help manuals newspaper accounts and archival collections american feminism and the birth of new age spirituality demonstrates that the new age movement first flourished more than a century ago during the gilded age under the mantle of new thought tumber pays close attention to the ways in which feminism became grafted with varying degrees of success to emergent forms of liberal culture in the late nineteenth century and questions the value of the new age movement then and now to the pursuit of women s rights and democratic renewal visit our website for sample chapters

this is the first wide ranging and accessible introduction to the fascinating subject of the new age movement

what is new age crystals meditation and astrology t ai chi reiki and feng shui reflexology aromatherapy and past life regression esalen the findhorn community and damanhur marianne williamson deepak chopra and david spangler but many such examples of alternative spiritualities are explicitly not new age and few practitioners now describe themselves as new age scholars cannot agree on a definition of new age or even whether it exists at all daren kemp surveys the whole range of descriptions of new age from a wide variety of angles new agers themselves are consulted as well as their critics in the churches the media and other interest groups including rationalists feminists and native american indians key features illustrated throughout with concrete examples from contemporary spirituality extensive fieldwork research with new age groups and communities and statistical surveys new age is examined from a variety of perspectives with chapters on new age history philosophy anthropology sociology and psychology approaches are applied in practical examples such as on new religious movements postmodernism and mental health includes an

extended survey of academic new age studies both published and unpublished with an emphasis on previously inaccessible doctoral research in a look at the future of new age studies it is asked whether the term new age remains useful or whether we should heed calls for substitute terms to describe contemporary alternative spiritualities

this element introduces new age religion the new age movement is a loosely cohesive conglomerate of different spiritual currents with no common founder leader institution dogma or scripture because of its diversity it may appear amorphous and incoherent at first sight this element emphasizes both the unity and diversity of the new age it approaches the phenomenon from three main perspectives 1 the historical development of new age religion 2 ideas and practices associated with the new age and 3 the social organization of the new age movement it thus provides a wide angle view that sketches out some of the main patterns that emerge from a mosaic of individual currents and actors associated with the new age it also highlights some of the differences within the movement by exploring some ideas and practices in depth

in a defining moment for her followers oprah winfrey denied that christ is the only way to salvation or a term that oprah might prefer spiritual enlightenment oprah has unleashed her widely known brand and highly efficient marketing engine to tout the false worth and spread the empty message of eckhart tolle s book a new earth a message that flies in the face of biblical teaching and christian beliefs oprah s new age church is a critical review of oprah s online interviews of eckhart tolle s book chapter by chapter in the form of thirty eight articles including some that deal with the new age philosophy in general contrary to new age doctrine there is no contradiction in jesus or his teaching the contradictions are all in a system of new thought that confuses the material universe with that which is divine promises universal peace as a result of all people doing their own thing preaches a doctrine that is not really a belief claims we can evolve to a higher better level though there is no standard of what is better and offers no evidence that its claims are true because the gurus simply know within themselves they know unfortunately many have tried christianity and found the lifestyle too strenuous or the participants too hypocritical or the variety of denominational doctrines too confusing and contradictory and they have become disenchanted while tolle is not arguing for salvation in christ he offers divine hope and that has proven to be appealing to millions charlie brackett the author of oprah s new age church hopes to show that those things tolle promises peace among men strength to cope with life s difficulties and the hope of universal unity are not really possible outside of jesus christ the only son of god of the bible and that the new earth we should strive for is that from heaven which the lord promised

the historical dictionary of new age movements examines various new age concepts spokespeople and leaders a range of human potential and self help practices countercultural spiritual developments and different groups and organizations that identify themselves as new age without judging or categorizing them more than 240 entries make this dictionary a valuable resource for students practitioners and serious academics book jacket
