 offence carried the death penalty in germany at this time his trial lasted five weeks and turned hitler into a national figure for
 the first time he was given a platform on which to make his views widely known to people outside of his party hitler s right to
 defend himself was used as a means of attacking all those he hated the jews communists socialists and weak politicians who
 had lost germany the war the shameful signing of the versailles treaty by weak politicians etc none of this was new and many
 right wing parties existed in germany however it was the way hitler presented his ideas that brought him media attention
 history will tear to tatters the verdict of this court he announced shortly after sentence was passed hitler was found guilty of
 treason a crime against your country if he had been a socialist or communist it is almost certain that he would have received
 the death sentence however many in the court supported his views and he received a prison sentence of 5 years he was sent
 to landsberg prison near munich here the man found guilty of treason had his own furnished cell his own servant and was
 allowed into landsberg itself during the day returning at night to be locked up in prison hitler decided that any future ventures
 by the nazis would have to be legal any action outside of the law would not be tolerated in prison hitler became moody and

depressed he put his energy into his book *mein kampf* my struggle this book explained to anybody who would read it his plans for germany's future there are also sections on boxing the growing of roses etc many years later in 1942 hitler explained to army officers that *mein kampf* would never have been written if he had not been sent to prison original archive images this item contains a letter from secretary of war robert p patterson to president harry truman the certificate of marriage between adolf hitler and eva braun the private will of adolf hitler a letter from martin bormann and the political testament of adolf hitler the private will concerns the distribution of the property of adolf hitler the letter from martin bormann private secretary of adolf hitler is to admiral karl d nitz and it transfers the political testament of adolf hitler to the custody of d nitz the political testament discusses hitler's political motivations and stresses his reluctance to create war the political testament also provides for his political succession also included are english translations of the marriage certificate the private will and the political testament

the great masses of the people will more easily fall victim to a big lie than to a small one adolf hitler the only edition of *mein kampf* officially sanctioned by the nazi foreign office in the english language was the edition translated and introduced by james murphy the illustrated edition using his translation was first published in the uk in 1939 in 22 weekly parts by hutchison and co ltd this authentic edition brings together that entire series complete with murphy's 1939 introduction and a new introduction by emmy award winning historian bob carruthers and includes over 250 photographs murphy's was the only translation which was officially endorsed by the nazi party during hitler's lifetime and as such represents an opportunity to approach the work as it was presented to contemporary readers this was the version of *mein kampf* which the nazi party hoped would spread the gospel of national socialism throughout the uk but by the time publication was underway world war ii had commenced somewhat surprisingly publication of the weekly illustrated edition was allowed to continue although all proceeds from the sale were diverted to the british red cross this new publication of the entire primary source provides the reader with access to the complete historical document and provides a unique insight into the past by reproducing *mein kampf* as it was presented to british readers in the thirties

in 1922 just four years after the war to end all wars an unknown austrian then living in bavaria planned a pamphlet to be called settling accounts in it he intended to attack the ineffectiveness of the dominant political parties in germany which were opposed to the new national socialists nazis in november 1923 adolf hitler was jailed for the abortive munich beer hall putsch along with men willing and able to assist him with his writing with the help of these collaborators chief among them rudolf hess the pamphlet became a book when mein kampf was published in 1925 it was a failure in 1926 a second volume appeared it was no more successful than the first as hitler s power increased pressure was put on all party members to buy the book gradually this pressure was extended to all elements of the german population soon mein kampf was even being passed out to newlywed couples as a gift ironically and frighteningly by the time hitler came to power on january 30 1933 what has been considered by many to be the most satanic book ever written was running neck and neck with the bible at the top of the german bestseller lists in his excellent introduction to this definitive american translation of mein kampf mein kampf is a blueprint for the age of chaos it transcends in historical importance any other book of the present generation in his translation ralph manheim has taken particular care to give an exact english equivalent of hitler s highly individual and often awkward

style we believe this book should stand as the complete final and definitive english version of hitler s own story of his life his political philosophy and his thwarted plans for world domination translated by ralph manheim a compilation of hitler s most famous prison writings of 1923 the bible of national socialism and the blueprint for the third reich

mein kampf the autobiography of adolf hitler provides a peek into the mind of a man who literally single handedly managed to change the course of history wounding the psyche of a people for generations to come and marring the memories of a race for all of time giving excellent insight into the maniacal ideologies and visions with which hitler shook the world mein kampf is an exploration of the holocaust from the other side of the genocide from hitler s perspective that is one of the most widely published circulated and read books in the world mein kampf is at once a chilling a revealing and an intriguing foray into the inner mental mechanics of a man whose legacy continues to weigh down history even today

mein kampf my struggle is a political manifesto written by adolf hitler it was his only complete book and became the bible of national socialism in the german third reich it was published in two volumes which dated 1925 and 1927 by 1939 it had sold 5 200 000 copies and had been translated into 11 different languages the first volume entitled die abrechnung the settlement of accounts or revenge was written in 1924 in the bavarian fortress of landsberg am lech hitler was imprisoned there after the unsuccessful beer hall putsch of 1923 it describes the world of hitlers youth the first world war and the betrayal of germany in 1918 it also expresses hitlers racial ideology according to hitler it was necessary for germans to occupy themselves not merely with the breeding of cats dogs and horses but also care for the health and wellbeing of their own bloodline the second volume entitled die nationalsozialistische bewegung the national socialist movement was written after hitlers release from prison in december 1924 it outlines the political program of national socialism and includes the measures that national socialism must pursue in both gaining power and in exercising it thereafter in the new german reich in this book hitler describes an ideology which according to him must shake the world from its slumber an ideology which is based on the eternal laws of nature here you can notice how the foundations of social darwinism have been applied in practice this book has set a path toward a much higher understanding of the self and of our magnificent destiny as living beings part of this race on our planet it shows us that we must not look at nature in terms of good or bad but in an unfiltered manner it describes what we must do if we want to survive as a people and as a race we have to understand that nature does not forgive weakness and that the truth and reality
