Insightful and comprehensive, film narratology will surely become the standard reference of cinematic narration for film students and scholars.

Over the last twenty years or so it seems as if the Indian diaspora has suddenly come of age. Shedding its minority status, it has demonstrated its inclination for becoming a majority, not in the sense of numerical superiority but of growing up, maturing, attaining self apprehension and self expression. It can now look at itself, the host country, and the homeland with a critical humor that has not necessarily dulled its passion or lessened the intensity of its engagement. Moreover, the Indian diaspora has become an important economic force whose reputed net worth exceeds hundreds of billions of dollars. It is at once more mobile and cohesive than ever before. What with faster means of travel and communication, not only has the old diaspora made inroads into the new, but the access of all the scattered peoples of Indian origin to India, the motherland, has also increased dramatically. Now it actually seems as if this diaspora has an unprecedented ascendancy and leverage both in the host country and the homeland. Perhaps its days of impossible mourning, to use Vijay Mishra's phrase, might at last be at an end.

présenter à un lecteur non spécialiste la pensée de jacques lacan est déjà un pari risqué mais le faire à travers le prisme du cinéma hollywoodien et inversement traiter de la culture populaire par le prisme de la pensée lacanienne voilà qui semble tenir de la gageure et pourtant slavoj zizek la tient cette gageure et avec quel brio incarné dans le personnage de charlie chaplin dans les lumières de la ville le mystérieux objet petit a devient tout à coup lumineux soudain nous comprenons lacan et c est jubilatoire mais cet ouvrage ne saurait se résumer à une tentative réussie de vulgariser une pensée sophistiquée il s agit en fait plus profondément ici de renouveler de fond en comble la notion marxiste de matérialisme dialectique zizek nous montre que lacan permet de comprendre la vérité du système de hegel qui ne se trouve pas
