if you look at the operations of any successful organization you will see one constant that constant is change this book is about leading change you see in our constantly changing world an organization's ability to lead change is critical to its success we know that change leadership the way the change is led directly affects the outcome of the change effort and yet so often leaders struggle with their change efforts we also know that change impacts and is impacted by people how people respond to change often determines whether change is successfully adopted and implemented or if it remains merely an idea or concept because of this people factor change must be led if we know this why do change agents repeatedly fail to address the people factor as they lead change change is hard and sometimes no matter how well often and frequently we communicate in some instances people can be so resistant to change that they cannot see beyond their own personal agendas to understand and embrace the benefits of the change these resisters to change are passionate about maintaining the status quo so passionate that they often emerge as leaders either openly or covertly of a movement to thwart the change effort we live in a world full of change and the list of change scenarios in our world is long to be sure it is not within the scope of this book to attempt to provide a discourse on every possible change scenario related issues technologies or industries organizations engaged in the transformation etc there is a plethora of books and papers devoted to change change management making change managing change and similar subjects leading change is different instead of focusing specifically on one of these topics it focuses on leading change from a practical practitioner's point of view in this book you will discover 16 key change factors kcfs or attributes of change that when understood can assist in the change leadership process as you read the chapters of this book you will unwrap these kcfs in more detail and review a few case studies of change leadership in action at other companies as well as examples from my own professional experience each section includes caps or change agent principles that provide a quick summary of key take aways for change leadership and change agents key thoughts and questions help you probe more deeply into change opportunities in your organization and there is a list of referenced section resources to provide additional details and improve your understanding of the key concepts and or topics presented in the section finally you'll read about some of the amazing changes occurring right around us to see how companies and individuals are leading change in our world my hope is that the change agent principles and examples of change leadership in this book will encourage and inspire you to lead and or help make change happen in your organization

whether you're on the front line or in the executive suite you can build your change intelligence and create results that matter at all levels of the organization in today's business world everyone knows that we all face constant change whether it's the implementation of a new IT system a reorganization or a full merger or acquisition we also know that the ability to handle such change makes the difference between

success and failure and has a direct effect on the bottom line because we understand this twenty first century executives supervisors and project managers have plenty of methodologies for managing change yet somehow our failure rate when we try to implement major organizational change is still shockingly high in this innovative guide barbara trautlein argues that our current approaches are inadequate when they are not used in tandem with a deep understanding of change intelligence or cq the skill set that allows you to lead your team or company through vital transformations you ll explore how to lead change by engaging the heart enlightening the head and equipping the hands which when combined enable you to overcome resistance and achieve results and once you learn your own change leader style you ll go on to discover practical strategies for leveraging your strengths and shoring up your weak spots trautlein a leading authority on change leadership keeps the theory light and delves into insightful case studies drawn from her decades of experience working with hundreds of top organizations as well as from her research derived from the global change intelligence cq assessment database of thousands of change leaders around the world her example and evidence based approach will help you plainly see how you can start driving real transformation not by adopting yet another new tool but by bolstering your own capacity for change leadership

tremendous forces for change are radically reshaping the world of work disruptive innovations radical thinking new business models and resource scarcity are impacting every sector although the scale of expected change is not unprecedented what is unique is the pervasive nature of the change and its accelerating pace which people in organizations have to cope with structures systems processes and strategies are relatively simple to understand and even fix people however are more complex change can have a different impact on each of them all of which can cause different attitudes and reactions managing and leading people through organizational change is written for leaders with the key responsibility of managing people through transitions managing and leading people through organizational change provides a critical analysis of change and transformation in organizations from a theoretical and practical perspective it addresses the individual team and organizational issues of leading and managing people before during and after change using case studies and interviews with people from organizations in different sectors across the globe this book demonstrates how theory can be applied in practice through practical examples and recommendations focusing on the importance of understanding the impact of the nature of change on individuals and engaging them collaboratively throughout the transformation journey

a critical area of competitive advantage is the ability of organizations to lead rather than follow changes in the market this means having the ability to roll out the right changes quickly and reliably in a way that delivers a return on investment managing organizational change brings together all the different roles and functions within an organization that a leader has to manage effectively to ensure successful and sustainable organizational change centred around the cycle of change model it provides a practical yet reflective overview of the four things

you have to have culture capacity commitment and capability and the six things you have to do direct drive deliver prepare propagate and profit it explains which type of resources you need in order to achieve long term change which tasks roles and activities need to be in place and crucially how to lead during a time of great unease managing organizational change will help you deliver better outcomes reflect on what your organization needs to do better and ensure change is embedded throughout your organization online supporting resources for this book include downloadable appendices to supplement several chapters

a groundbreaking manifesto this book challenges traditional notions of change arguing that successful change is the result of careful diagnosis analysis and consideration of what to change who to change and the context for the change

the international bestseller now with a new preface by author john kotter millions worldwide have read and embraced john kotter s ideas on change management and leadership from the ill fated dot com bubble to unprecedented m a activity to scandal greed and ultimately recession we ve learned that widespread and difficult change is no longer the exception it s the rule now with a new preface this refreshed edition of the global bestseller leading change is more relevant than ever john kotter s now legendary eight step process for managing change with positive results has become the foundation for leaders and organizations across the globe by outlining the process every organization must go through to achieve its goals and by identifying where and how even top performers derail during the change process kotter provides a practical resource for leaders and managers charged with making change initiatives work leading change is widely recognized as his seminal work and is an important precursor to his newer ideas on acceleration published in harvard business review needed more today than at any time in the past this bestselling business book serves as both visionary guide and practical toolkit on how to approach the difficult yet crucial work of leading change in any type of organization reading this highly personal book is like spending a day with the world s foremost expert on business leadership you re sure to walk away inspired and armed with the tools you need to inspire others published by harvard business review press

a new way for everyone to lead change at work everyone has something to contribute to their organization but new ideas and decisions so often come only from the top bureaucracy tradition and apathy slow down many organizations ability to change innovate and grow san francisco entrepreneur and product manager adam braus studied traditional and recent methods of change and innovation and found a missing link in the way individuals and organizations think about change the most innovative companies in silicon valley and around the world are using a japanese concept called nemawashi to unlock the genius of all their teams and people through engaging stories and case studies from startups small businesses and corporate america braus distills down this international and timeless method for change into a

simple five step process leading change at work is a complete course in a new and proven way anyone can lead change
