a former white house director of economic policy shares his provocative views about how people are actually more happy being competitive than they are while relaxing arguing that it is inherently better to avoid retirement boost morale through competition and embrace winner takes all reward systems 25 000 first printing

this title aims to give the reader the confidence to leave their job and enable them to become their own boss ajay ahuja followed the steps he describes in this book and became a multi millionaire he now owns his own accountancy firm 75 investment properties a bar and a nightclub and has become a best selling author all by the age of 31 the steps he outlines are simple but they require three core ingredients courage motivation and foresight ajay guides you through a series of thought processes so that you too can gather together these vital ingredients and make the same bid for freedom contents where are you now where you want to be the key step taking you from where you are to where you want to be minimize your fixed cost of living maintain your fixed costs of living identify what type of self employed person you are raise the initial capital

it s nothing unexpected that you need to get away from a futile way of life from disillusioning checks to poisonous workplaces no one truly needs to forfeit their life ascending a stepping stool they can basically attempt to possess

the term rat race is used to describe the common frustrating financial situation in which most people are stuck they are stuck at the same job for years they spend all their time and effort but they can barely make ends meet they sacrifice time and freedom for money only to buy material goods and buy a home on credit they go into debt to live better but do not really benefit from life and live many people who are stuck in this situation become demotivated and frustrated and they spend the weekend having fun trying to forget the week and during the week they are there to say themselves loudly on weekends and it becomes an endless loop the problem is that all this is hidden in material goods like cars homes television to forget that they are undergoing life are you fed up with your life are you tired of doing like everyone else are you tired of working for a boss are you tired of not doing what you like are you tired of being dependent on your television your house or your car are you tired of having the same week all year you are right that you have realized that you live in the wheel of the rat race now you tell yourself that you want to come out and want to do it differently the good thing is that it s quite possible to get by so i m not saying it s easy but it s more than possible with work concrete actions training knowledge a state of mind behaviors you will be able to leave many people have succeeded so why not you in this book i will first talk about what you live in the rat race and why you have to leave it i will then show you the concrete ways to get out i will also talk to you about winning attitudes to put in place to achieve your goal i will explain how to take control of your life step by step then i will tell you about the action plan that is the plan that will allow you to move from the phase where you live in the rat race to the phase where you will live outside the rat race to that i will add the mistakes not to commit to succeed finally i ll show you what you need to do when you re out of the rat race and i ll give you business ideas

rat race is a term used to describe a frustrating hard to break financial lifestyle it is a lifestyle that is lived by countless people oblivious to the very nature of it to a degree that even when called upon vehemently deny it to summarize the rat race it involves subjecting one s self to a time consuming job saddling one s self with heavy mortgages rents bills children and liabilities forcing the individual to continue busting his or her ass at that same job the illusion that working at the same job will be better bars off alternatives it is also a misconception that getting more money will solve financial distress but those who subject themselves most voluntarily to the race just spend more and more digging themselves the same hole i m not interested in money they will say if they aren t then why are they thanklessly toiling their lives away and constantly bitching about their financial scarcity it involves a variable combination of self induced fear of poorness a lack of choice horrible spending habits or the inability to adapt to the new changes in the work force taking place during the time of this definition entry there exists many options for financial gain and exit of the rat race remember the definition of insanity also entails doing the same thing over and over again in an attempt to make things change i always advise people to get their information from someone who has been there and done it there is no point asking your morbidly obese doctor how to lose weight because he hasn t got the first clue of course this won t stop him giving you advice this seems like an obvious point but day in day out intelligent people ask their poor friends for financial advice they ask their co workers what they think about escaping the 9 to 5 the advice they get back is 100 proof bull crap but offered with 100 certainty that it is correct there are thousands of books out there about escaping the daily grind living the life of your dreams and becoming fabulously wealthy a great deal of them are written by people who are in an equally poor or even worse situation as the target audience the book is intended for you can t be too critical of them because at least they are fighting to get where they want to go most people are passengers in life white knuckling their trip down the river entirely unaware the oars are just under the seat so here s why you should listen very carefully to what i have to say in this book everything i am going to tell you to do i have done myself i have been poor i have worked a 9 to 5 job that sucked my soul out my ass for 40 hours a week but i have also escaped it and become insanely wealthy as a result if you are serious about finding your passion living it and then selling this expertise for cash lots of cash then this book is a vital first step on your journey to escaping the rat race powerfullywealthy com

do you know the meaning of rat race rat race is a term used to describe a frustrating hard to break financial lifestyle it is a lifestyle that countless people live oblivious to its very nature to a degree that even when called upon vehemently denies it there are thousands of books out there about escaping the daily grind living the life of your dreams and becoming fabulously wealthy a great deal of them is written by people who are in an equally poor or even worse situation as the target audience the book is intended for if you are serious about finding your passion living it and then selling this expertise for cash then this book is a vital first step on your journey to escaping the rat race

in this book downshifting needn't involve self sufficiency in surbiton just begin by making small changes to your working living and spending patterns until you reach a level with which the family is comfortable the author advises on all of these changes and suggests practical ways to escape the rat race and start enjoying a more balanced happier life
