this book seeks to trace the history of nepalis in the north east india in its entirety starting from the earliest migration and settlement including their socio cultural economic and political development phase by phase down to the year 2020 it deals squarely with the two primary aspects of civil and military life of the nepalis unfolding the spectacular history of valour and sacrifice of the gorkha soldiers which has no parallel anywhere in the world it gives a riveting account of the brave gorkhas and their supreme sacrifice of life in defending indian borders along kashmir siachen and the macmahon line above arunachal pradesh the book also throws lights on the glorious role played by the versatile gorkhas in the assam rifles who are till to this day diligently maintaining internal peace and order in the hills and valleys of the north east dealing with the other segment of the civilian nepalis this book

focuses on their glowing contribution to the freedom struggle of India and presents before the readers a comprehensive landscape of their social cultural political and economic life culminating into complete assimilation with the Indian people

extensively revised and updated this book provides a comprehensive overview of the development of Buddhism in Asia and the West

The magnitude of socio cultural diversity of North East India is of enormous significance for the national life of India even though the region enjoys little space and attention in the national arena this book of two volumes is an attempt to showcase the diversified topics of North East India written by academicians and scholars of high repute it contains as many as forty seven articles covering almost all the facets of the wide range of historical and socio cultural aspects of the North East India all the writings are potent enough to project the North East in proper light from the academic point of view the book will surely pave the way for further research and other related academic works on North East's history culture and society strengthening its assimilation process with that of the rest of India

The present book is a detailed first of its kind study of the Sherpas inhabiting Darjeeling district of West Bengal and South district of Sikkim this ethnographic study among the Sherpas of these two areas was undertaken by the authors because firstly the Sherpas here have very interesting culture and secondly these people here are very little known all detailed studies so far published are on the Sherpas of Nepal so people know about the Sherpas of Nepal but not about them living in Darjeeling and Sikkim from this detailed study the readers of this book particularly those who are interested about the people of the Himalayas and of North East India will get a comprehensive idea about the life and activities of these inhabitants of the Himalayas moreover in this book a comparison between their society and culture and those of their congeners in Nepal has also been made as a result the readers will get a complete life sketch of these people from this book this book will also help in formulating and undertaking development programmes among them and also in the areas they live

Nation Constitutionalism and Buddhism in Sri Lanka offers a new perspective on contemporary debates about Sinhalese Buddhist Nationalism in Sri Lanka in this book De Silva Wijeyeratne argues forcefully that Sinhalese Buddhism in the period prior to its engagement with the British colonial state signified a relatively unbounded although at times boundary forming set of practices that facilitated both the inclusion and exclusion of non Buddhist concepts and people within a particular cosmological frame juxtaposing the premodern against the backdrop of colonial modernity De Silva Wijeyeratne tells us that in contrast modern Sinhalese Buddhism Nationalism is a much more reified and bounded concept one imagined through a 19th century epistemology whose purpose was not so much inclusion but a much more radical exclusion of non Buddhist ideas and people in this insightful analysis modern Sinhalese Buddhist Nationalism then emerges through the conjunction of discourse power and knowledge at a distinct moment in the trajectory of the colonial state an intrinsic feature of this modernist moment is that premodern categories such as the cosmic order were subject to a bureaucratic revaluation that generated profound consequences for state society relations and the wider constitutional legal imaginary this book goes onto explore how key constitutional and nation building moments were framed within the cultural milieu of modern Sinhalese Buddhist Nationalism a nationalism that reveals the power of a revalued Buddhist cosmic order to still inform the present given the intensification of the Sinhalese Buddhist Nationalist project following the defeat of the Tamil Tigers in 2009 this book is of interest to scholars of nationalism South Asian studies the anthropology of ritual and comparative legal history

It is a constant refrain from various political leaders that religion and politics should not be mixed together notwithstanding this slogan engineering what we find in real life is often quite opposite the author Kunal Ghosh connotes on two North East regions Tripura and the Bodo Autonomous Council area in Assam where a mixture of religion and politics has produced an

explosive situation if religion can be tied up with language and linguistics it would acquire a direct hold on nationality this book is intended for those readers particularly from north east india who are actively engaged to the motherland readers will be compelled to think after reading this book
