this book deals with the development of constitutional law in china and visegrad states by

employing a comparative perspective it is the first time that the researcher compared the constitutional development in the china and the visegrad states it offers a few glimpses of development of constitution in the former socialist states to readers who are interested in the constitutional law or china v4 relations with the increased cooperation between china and v4 countries this book gives the undergraduates in the university to think about the bri and 17 1 network from a chinese perspective last compared to the previous works which mainly focus on north america and or western europe this book provides a new angle on comparative constitutional law

this research evaluates whether the new model of investment agreement developed by brazil cfia is a mechanism for enhancing protection and respect for social and economic rights the research starts by exploring the origins of investment treaties their development and main characteristics it examines why investment treaties and socio economic rights are related by mapping cases in which investment treaties have already impaired the protection of such rights the research then analyzes how these two issues shall be jointly handled it considers international organizations initiatives to regulate business and human rights and investment treaties frameworks that foster sustainable development as well as new investment agreements models developed by different countries and then suggests criteria for evaluating whether an investment treaty is adequate from the socio economic rights standpoint finally this research investigates the cfia model brings a brief historical overview evaluates cfias wording and examines how some cfias institutional mechanisms consider corporate social responsibility issues in conclusion this research asserts that the cfia model can be a mechanism for enhancing protection and respect for socio economic rights but some concerns particularly related to safeguarding states regulatory space and providing for stronger obligations to investors and states to protect human rights need to be addressed
