this volume is a new chapter in the future history of law its general perspective could not be more original and its critical ethical edge on the state of international law could not be timelier it explores a compassionate philosophical approach to the genuine substance of law criminal procedure international criminal law and international criminal justice it divides law into three interrelated disciplines i e legality morality and love the norm love is derived from human reason for man s advancement and the securing of natural law it is more than a mere mandatory norm its goal is to generate a normative and positive powerful result therefore avoiding any impurity that may exist in the application of other norms because of political or juridical pressures a one eyed justice the norm love also renders justice with the principles of legal accountability transparency and the high moral

authentic values of humanity the notion of justice cannot be trusted in the absence of the norm love the volume indicates the conditions of its efficiency by proving the reasons for its existence in the context of fairness objectivity and concern for all individuals and entities the concept of the norm love should be the core academic corpus for lecturing law in all faculties of law it is simply the enlightenment of the 21st century a lawyer with requisite knowledge and skill is not a lawyer if he cannot understand that the law does not need a lawyer with ethical competence in its provisions for income purposes but one with knowledge of its essence for the advanced morality of justice and the sheer essence of love for justice

roscoe pound believed that unless the criminal justice system maintains stability while adapting to change it will either fossilize or be subject to the whims of public opinion in criminal justice in america pound recognizes the dangers law faces when it does not keep pace with societal change when the home neighborhood and religion are no longer capable of social control increased conflicts arise laws proliferate and new menaces wrought by technology drugs and juvenile delinquency flourish where pound saw the influence of the motion pictures as part of the multiplication of the agencies of menace today we might cite television and the internet his point still holds true the old machinery cannot meet the evolving needs of society in criminal justice in america pound points out that one aspect of the criminal justice problem is a rigid mechanical approach that resists change the other dimension of the problem is that change when it comes will result from the pressure of public opinion justice suffers when the public is moved by the oldest of public feelings vengeance this can result in citizens taking the law into their own hands from tax evasion to mob lynchings as well as in altering the judicial system from sensationalizing trials to producing wrongful convictions ron christenson in his new introduction discusses the evolution of roscoe pound s career and thought pound s theories on jurisprudence were remarkably prescient they continue to gain resonance as crimes become more and more sensationalized by the media criminal justice in america is a fascinating study that should be read by legal scholars and professionals sociologists political theorists and philosophers
