fundamentally the spiritual path is a practical book a handbook written to clearly guide us along a path that can be followed by any seeker who has ever truly wondered about the

meaning of life it is not a religious text or a philosophical study and there is no attempt to define truth or confine truth within the limits of a specific faith doctrine or ideology on the contrary the book only emphasizes a very real possibility of comprehending the meaning of life and armed with determination desire and intellectual honesty encourages us to embark on our own search practical concrete and to the point the spiritual path is a book for our times a book of reflection and wisdom written with sincerity and simplicity it is a book about the search or more accurately the inner search where inner means our true self the profound and beautiful essence that we have rarely been encouraged to recognize or express that intimate and true nature that we perceive as a possibility but from which incapable as we are of entering into communion with our true self we feel removed many of us amidst the precariousness of life feel a sense of emptiness and incompleteness and we are left with only our loneliness and fear the spiritual path is a book written for those who do not want to waste time and are tired of being taken for a ride the authors give a truly alternative point of view on how to seriously start on the path of inner development today and offer many invaluable practical suggestions to obtain verifiable results in our daily life
