this anthology of interviews with borges features more than a dozen conversations that cover all phases of his life and work

these wide ranging conversations have an exceptionally open and intimate tone giving us a personal glimpse of one of the most fascinating figures in contemporary world literature interviewer fernando sorrentino an argentinian writer and anthologist is endowed with literary acumen sensitivity urbanity and an encyclopedic memory of jorge luis borges work in his prologue borges jokes that sorrentino knows his work much better than i do borges wanders from nostalgic reminiscence to literary criticism and from philosophical speculation to political pronouncements his thoughts on literature alone run the gamut from the bible and homer to ernest hemingway and julio cortázar we learn that dante is the writer who has impressed borges most that borges considers federico garcía lorca to be a second rate poet and that he feels adolfo bioy casares is one of the most important authors of this century borges dwells lovingly on buenos aires too from the preface for seven afternoons the teller of tales preceded me opening tall doors which revealed unsuspected spiral staircases through the national library s pleasant maze of corridors in search of a secluded little room where we would not be interrupted by the telephone the borges who speaks to us in this book is a courteous easy going gentleman who verifies no quotations who does not look back to correct mistakes who pretends to have a poor memory he is not the terse jorge luis borges of the printed page that borges who calculates and measures each comma and each parenthesis sorrentino and translator clark m zlotchew have included an

appendix on the latin american writers mentioned by borges

a collection of writings includes essays literary and film criticism biographical sketches and lectures

the face of borges most widely known is that of the blind patrician man of letters in whose writings emotion is subjected to the play of ideas yet borges born in buenos aires in 1899 did not become virtually blind until the 1950s and in the decades before this affliction and before his books were widely translated and internationally celebrated he wrote loved and engage in local polemics with adventurous passion in jorge luis borges jason wilson explores borges tumultuous early life in the streets and cafes of buenos aires and charts his literary friendships love affairs and travels borges claimed never to have invented a character it s always me subtly disguised illuminating the connections running between the biography and the fictions wilson reminds us that borges was always a poet whose life was recreated in his work but never in confessional ways and restores his argentine roots this book will be an invaluable resource for all who treasure the modern master book jacket

he read and wrote with the greatest of passions and jorge luis borges the greatest of argentine writers created through a 60 year long career one of the significant and enduring literary legacies of any writer of the 20th century the reach of his poetry his stories and his essays was global

believe me the benefits of blindness have been greatly exaggerated if I could see I would never leave the house I'd stay indoors reading the many books that surround me Jorge Luis Borges days before his death Borges gave an intimate interview to his friend the Argentine journalist Gloria Lopez Lecube that interview is translated for the first time here giving English language readers a new insight into his life loves and thoughts about his work and country at the end of his life accompanying that interview are a selection of the fascinating interviews he gave throughout his career highlights include his celebrated conversations with Richard Burgin during Borges's time as a lecturer at Harvard University in which he gives rich new insights into his own works and the literature of others as well as discussing his now oft overlooked political views the pieces combine to give a new and revealing window on one of the most celebrated cultural figures of the past century

the first complete collection of stories by one of the great masters of 20th century literature from his 1935 debut with *The Universal History of Iniquity* to his bestselling novels of the 1980s

a collection of interviews now available from *New Directions* for the first time the words of a genius Borges at eighty transcends our expectations of ordinary conversation in these interviews with Barnstone Dick Cavett and Alastair Reid Borges touches on favorite writers Whitman Poe Emerson and familiar themes labyrinths mystic experiences and
