*this book provides an in depth analysis of representations of female murderers in modern american drama paying close attention to the plays plot form and style the study seeks to come to terms with the dramatic and cultural function of this phenomenon given the rarity of female murder in real life the popularity and prevalence of this theme in culture is striking and unsettling at the same time after all a woman who kills not only violates against basic social rules but also upsets gender norms this potential to break with an ideology that rests on hierarchically structured gender binaries equips the figure of the female murderer with the power to symbolically kill established views about gender and sexuality it is this ideologically*

disruptive potential that makes the female murderer a fascinating object of study as her cultural figuration may provide information about the meaning assigned to women at a certain historical moment

this volume includes selected contributions from the 2nd international translata conference on translation theory and general issues in translation studies the contributors focus also on the relationship between translation theory and translation practice as well as professional aspects in translation and interpreting

the book reconstructs the methods of theory construction employed in the grounded type of sociological theory the nature of concepts categories and properties taking center stage in this type of theory these methods are approached from the point of view of modern logical and methodological treatment of deduction induction and abduction

this book aims to be a forum for sharing best practices and experiences by addressing issues of academic integrity from a wide scope global perspective it is dealing with consistent and transparent approaches to issues of academic integrity from several perspectives

in this first comprehensive study of plato s conception of justice apprehension of human dignity plays a crucial role for understanding an individual in relation to law and state plato s philosophy turns out to provide foundations for modern day human rights protection rather than for totalitarian approaches

the book for the first time explores in depth the life and work of herta herzog 1910 2010 an austrian american social psychologist herzog spent most of her working life in the united states where she moved to in the 1930s following her first husband paul lazarsfeld into migration and working with him at the famous office of radio research in princeton and columbia the chapters by scholars from the u s israel germany and austria show the amazing scope of herzog s work as both one of the founders of empirical communication research and the grand dame of market and motivation research herzog crossed many borders moving from europe to the u s and back again stepping over disciplinary lines as well as restrictions by gender
