learn how to assist library patrons including self represented litigants through legal research instruction programming and outreach
according to the national center for state courts in 76 percent of civil cases in the united states at least one of the parties represents
themselves as more people represent themselves in court more are coming to the library to seek answers to legal questions do you ever feel
panicked when someone asks you a legal reference question are you are not sure where to look for information or how much information
you can provide what can libraries do to assist self represented litigants deborah hamilton began her career as a law librarian with no
formal legal training now not only does she help people with legal reference questions but she also provides legal programming and
outreach to the community learn the difference between legal information and legal advice as well as how to connect with community
groups who provide legal services in this book hamilton teaches librarians how to teach themselves about legal research and resources as
well as offering practical ideas for types of legal programs and outreach that they can proactively offer patrons

complete land law series offer students a carefully blended combination of the subject s concepts cases and commentary a combination
which encourages critical thinking stimulates analysis and promotes a complete understanding
