this text poses the question what is theology and goes on to discuss issues of methodology the relation of theology to other disciplines and different theological perspectives it also investigates topics in the fields of philosophical theology human existence revelation the language of theology and christianity and other religions symbolic theology triune god doctrines of creation the problem of evil and suffering the person of jesus christ and eschatology and applied theology the church ministry and mission word and the sacraments worship and prayer and ethics

this introduction to christian theology explores the whole christian tradition in a simple and straightforward way leading wesleyan theologian don thorsen surveys the theological views represented within historic christianity and discusses the variety of positions held without favoring one over another the book includes helpful end of chapter questions for further reflection and discussion a convenient glossary of theological terms and sidebars the second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized

this splendid introductory textbook for christian theology presents two essays by leading scholars on each of the major theological questions william placher provides an excellent discussion of the history and current state of each doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts

this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on

jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

alister mcgrath s christian theology an introduction is one of the most internationally acclaimed and popular christian theology textbooks in use today this 5th edition has been completely revised and now features new and extended material numerous additional illustrations and companion resources ensuring it retains its reputation as the ideal introduction to christian theology fully updated 5th edition of the bestselling textbook incorporating expanded material numerous student features and new illustrations features new sections on copernicanism and darwinism includes extended discussions of augustine s doctrine of creation trinitarian theologies of religion and the relation of christianity to other faiths may be used as a stand alone volume or alongside the christian theology reader 4th edition for a complete overview of the subject retains the chapter structure of the 4th edition ensuring comparability with earlier editions and courses based on these accompanied by a revised instructor s website featuring expanded resources including study questions and answers visit [wiley.com/go/mcgrath](http://wiley.com/go/mcgrath) for more details and to register for access

a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

regarded as the leading text in christian theology for the last 25 years alister e mcgrath s the christian theology reader is now available in a new 5th edition featuring completely revised and updated content

brings together more than 350 readings from over 200 sources that chart 2 000 years of christian history situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions includes new readings on world christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning designed to function as a stand alone volume or as a companion to christian theology an introduction 6th edition for a complete overview of the subject

far from being solely an academic enterprise the practice of theology can pique the interest of anyone who wonders about the meaning of life inviting readers on a journey of faith seeking understanding this introduction to christian theology its basic concepts confessional content and history emphasizes the relevance of the key convictions of christian faith to the challenges of today s world in the first part this book introduces the project of christian theology and sketches the critical context that confronts christian thought and practice today in a second part it offers a survey of the key doctrinal themes of christian theology including revelation the triune god and the world as creation identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme the third part provides an overview of christian theology from the early church to the present

this classic systematic theology by methodist william burt pope 1822 1903 is organized as follows the kindle edition includes all three volumes volume i chapter 1 definition of theology chapter 2 revelation or the faith chapter 3 inspiration chapter 4 the canon the divine rule of faith chapter 5 the existence and notion of god chapter 6 the divine essence and perfections chapter 7 the person of christ chapter 8 the mediatorial work in its process chapter 9 historical manifestation of the redeemer volume two chapter 1 origin of sin in the universe and on earth chapter 2 nature of sin chapter 3 sin and redemption chapter 4 original sin chapter 5 the divine purpose of redemption chapter 6 the redemptional or economical trinity chapter 7 the person of christ chapter 8 the mediatorial work in its process chapter 9 historical manifestation of the redeemer volume iii chapter 1 christian sonship chapter 2 christian sanctification chapter 3 tenure of covenant blessings chapter 4 christian ethics chapter 5 the christian church chapter 6 eschatology or the last things

this book shows that theology is both integrally related to formation in jesus christ and shapes our understanding of the world christian formation is incomplete and impossible without theological formation because christ transforms our hearts and minds attuning them to the reality of god as the authors explore the deep connections between theology and the life of the christian they emphasize christian formation as a defining feature of the church arguing that theology must be integrally connected to the church s traditions and practices

christian theology the classics is a vibrant introduction to the most important works of theology in the history of christian thought exploring writings from the origins of christianity to the present day it examines some of the most influential theologians of all time considering the context in which they were writing and the lasting significance of their work covering thirty one theological classics such as augustine of hippo on the trinity martin luther commentary on galatians john calvin the institutes of the christian religion jonathan edwards religious affections st thomas aquinas summa theologiae with a glossary and outlines of the key criticisms of each text this book is the perfect starting point for anyone interested in theology and the history of christian thought

dallas seminary professors make basic theology accessible for all theology doesn t have to be complicated in this book trusted dallas seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers students lay people and pastors here are introductions overviews and reviews of key tenets of orthodox protestant evangelical doctrines the book also includes an annotated list of key applicable bible texts a quick paced story of doctrine throughout church history heresies or distortions to be aware of and more exploring christian theology is useful for discipleship catechism membership training preview or review of doctrine or quick personal reference it can also be used by ministry training programs bible colleges or seminaries as an introductory primer to orient students in preparation for a more in depth study of theology

foundational theology made accessible and practical offers concise and neutral explanations of the essentials of christian theology for students lay people and pastors goes beyond merely explaining the what of theological teachings to the why of how they impact everyday life combines three volumes into one

convenient collection cutting through the controversies and doctrinal debates two trusted dallas theological seminary professors offer a practical foundational handbook on the basics of christian theology and why it matters to everyday life from humanity and sin to the trinity to the end times svigel and holsteen show why these topics matter and how you can apply them to your life every day with a winsome tone fast paced style and everyday language each chapter of this highly readable book covers one key doctrine and features a brief overview with points of unity and diversity explanations of key scriptures foundational truths to know false teachings to avoid practical application for your faith and life whether you re a student of the bible a pastor or someone who simply wants to know god better this simple and accessible resource will not only help you to know theology but to live it

the first installment in a wide and deep constructive theology for our time in christ and reconciliation veli matti karkkainen develops a constructive christology and theology of salvation in dialogue with the best of christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths karkkainen s constructive christian theology for the pluralistic world is a five volume project that aims to develop a new approach to and method of doing christian theology in our pluralistic world at the beginning of the third millennium topics such as diversity inclusivity violence power cultural hybridity and justice are part of the constructive theological discussion along with classical topics such as the messianic consciousness incarnation atonement and the person of christ with the metaphor of hospitality serving as the framework for his discussion karkkainen engages judaism islam buddhism and hinduism in sympathetic and critical mutual dialogue while remaining robustly christian in his convictions never before has a full scale doctrinal theology been attempted in such a wide and deep dialogical mode

theology matters at last it can be understood easily thanks to this layman s language approach to biblical belief authored by j i packer one of the premier theologians of christianity this summary of christian teaching covers nearly 100 major christian beliefs from a reformed perspective brief easy to understand chapters offer precise descriptions without sacrificing depth thoughtfully arranged and refreshingly readable this is a book that belongs on the shelf of every christian
