it was the 50s and life was simple until september 25 1954 that was the night that would be etched in the memory of the citizens of stanfield massachusetts the chief of police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city a fourteen year old girl and the four year old boy in her care were murdered at the hands of a deranged depraved killer a thread of evidence places the reader at the scene of the crime an eye witness to the senseless stabbing of two innocent children with a piece of crochet thread as their only clue the entire police department lead by detectives steven logan and raymond gage scour the city in search of a maniacal savage when all tips and leads have been exhausted they review all evidence they come back to the thread the only real evidence with tenacity and perseverance of logan and gage the killer is apprehended the reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the superior court as the trial proceedings commence a thread of evidence has been written as fiction but inspired by an actual event fifty years later it remains etched in the minds of all who had lived in the area the author has researched court records newspapers interviewed neighbors police and has drawn on personal recollections of the crime the story has been recounted over and over and to this day it continues to be discussed a thread of evidence is a compelling account of superb detective work and unprecedented dedication of an entire police department

the marketing book is everything you need to know but were afraid to ask about marketing divided into 25 chapters each written by an expert in their field it s a crash course in marketing theory and practice from planning strategy and research through to getting the marketing mix right branding promotions and even marketing for small to medium enterprises this classic reference from renowned professors michael baker and susan hart was designed for student use especially for professionals taking their cim qualifications nevertheless it is also invaluable for practitioners due to its

modular approach each chapter is set out in a clean and concise way with plenty of diagrams and examples so that you don't have to dig for the information you need much of this long awaited seventh edition contains brand new chapters and a new selection of experts to bring you bang up to date with the latest in marketing thought also included are brand new content in direct data and digital marketing and social marketing if you're a marketing student or practitioner with a question this book should be the first place you look

volume 6 of research on technological innovation management and policy contains five papers on strategic change in firms and industries all five discuss aspects of the interrelationships between technology strategy competitive strategy and organization and management the first two address these at a level of the industry the next two at firm level in the final chapter the level of analysis is primarily the technology these five chapters are illustrative of themes in current research that are shaping the field of strategic management technology and innovation they build well on earlier work in the field and thereby support its further empirical and theoretical development they also provide useful insights for practicing managers faced with the challenges of changing technologies and a rapid rate of innovation

betr u a werke von hans aeschbacher und hermann haller erg□nzt und ersetzt nr 714 der bbg 1995

this volume represents a selection of papers focusing in particular on modern business forms and their relationship to social and political institutions in the twentieth century and on eighteenth century france its clear geographical focus is on the united states and western europe but three of the essays cover the middle east nigeria and india
