exploring the language of poems plays and prose examines how readers interact with literary works how they understand and are moved by them mick short considers how meanings and effects are generated in the three major literary genres carrying out stylistic analysis of poetry drama and prose fiction in turn he analyses a wide range of extracts from english literature adopting an accessible approach to the analysis of literary texts which can be applied easily to other texts in english and in other languages

poetry defined as language divided into lines is found in most known human cultures this masterful survey of poetry and its constituent components demonstrates the functions performed by metre rhyme alliteration and parallelism arguing that each line of a poem fits as a whole unit into the limited capacity of human working memory using examples from around the world fabb surveys the wide varieties of poetry and the ways they are performed including those in songs and signed literatures focusing on language form and memory he argues helps us understand why poetry is a particularly valued way of using language a fresh exploration of poetry the book will be welcomed by students and researchers of literature linguistics and psychology as well as anyone interested in poetry

language and world creation in poems and other texts introduces an interdisciplinary and practical approach to the analysis of poetry which focuses on text worlds namely the contexts scenarios or types of reality that readers construct in their interaction with the language of texts the book demonstrates in detail three ways of approaching poetic text worlds namely as discourse situations possible worlds and mental constructs clear and detailed introductions to linguistic theories of definiteness and deixis possible world theory and schema theory are included making the book accessible to readers who are unfamiliar with these frameworks

this book introduces a new way of looking at how poems mean drawing on the framework first developed in the author's book critical stylistics but applied here to aesthetic more than ideological meaning the aim is to empower

readers of poetry to articulate the features of poetic language that they come across and explain to themselves and others why these features convey the meanings that they do while this volume focuses on contemporary poets writing in english and mostly based in the uk and ireland the framework will work just as well for other eras poetry as well as for other cultures and languages

this new study is a major contribution to sign language study and to literature generally looking at the complex grammatical phonological and morphological systems of sign language linguistic structure and their role in sign language poetry and performance chapters deal with repetition and rhyme symmetry and balance neologisms ambiguity themes metaphor and allusion poem and performance and blending english and sign language poetry major poetic performances in both bsl and asl with emphasis on the work of the deaf poet dorothy miles are analysed using the tools provided in the book

a group of poems from the core member of the vienna group and one of europe s most intrepid avant garde writers this collection contains more than 300 poems from seven decades of writing the poems are true to the legacies of romanticism and surrealism and exhibit the poet s ability to push the limits of convention to reveal a deeper structure of existence ranging from elation to abyss

poetry as research develops an approach that allows poetry writing to be used as a research method for exploring questions relating to second language learners and more broadly for studies within the humanities and social sciences the book investigates the characteristics of poetry writing and situates poetry writing as a qualitative arts based research process the book utilizes computational linguistics qualitative bibliographic and philosophical methods and investigates the process of writing poetry the textual and literary characteristics of second language poetry poetic identity and inquiry the developed methodology is exemplified through a poetic inquiry of the study abroad experiences of esl students the book provides a comprehensive informed and innovative approach to the investigation of understandings of personal experience this book should be of interest to the fields of applied linguistics stylistics literary studies creative writing and composition as well as anyone interested in using writing as a research method

seeks to demonstrate that the study of english poetry is enriched by the insights of modern linguistic analysis and that linguistic and critical disciplines are not separate but complementary examining a wide range of poetry professor leech considers many aspects of poetic style including the language of past and present creative language poetic licence repetition sound metre context and ambiguity

the language of poetry develops the student s ability to read and evaluate poetic texts of many kinds includes activities commentaries and extensions to each extract covers a variety of poetic language ranging from songs advertisements and spoken language to the more traditional forms of the sonnet ode and free verse includes poetry from philip larkin maya angelou dylan thomas and tony harrison
