in studying the realm of demons we desperately need knowledge of the word of god this is due to the fact that we ought to treat the subject in a spiritually balanced way unbalanced teaching will be in danger of falling to one of the two extremes it will either ignore demons or attach everything to demons a born again christian drives out demons they don't enter him/her thus we christians should lead a life of holiness love and humility and grow in god's word and spirit as a result we should go from faith to faith from power to power and from glory to ever increasing glory

although demons don t enter born again christians the devil will fight against christians through his flaming arrows we should take up and put on the full armor of god in order to tackle the enemy s fiery darts

a survey examines american attitudes toward the vietnam war and the experiences and ideas that turned most people against the war

this report documents the government submissions to the united nations on the transfer of arms in seven weapons categories in 1992 and compares this data with information published by sipri in its arms trade register it assesses the results of the united nations register and the prospects for improving it in 1994 it is a unique source of information that will be of special interest to political scientists and policymakers interested in arms control

this book gives you the seven weapons to win the war of life in this chaotic life we are lost this book gives you the wisdom to pave the way for the journey of your life this is not just another book this is an instructive manual for a successful life
