Dr. Rasool D. Malik is an educator firmly committed to promoting literacy for all students. He ultimately believes that reading makes a full person and that all students, though unique in potential, can be empowered to read through the use of rhymes. He is also interested in developing students' basic reading skills through phonemic awareness, word decoding, fluency, and comprehension. He has done extensive research on methods of teaching reading and is the author of several books and journal articles over the past thirty years. Dr. Malik has worked assiduously to develop a reading program for regular education, special education, and home school education. His literacy program is titled "Phonics, Rhythms, and Rhymes," which was developed for teachers, parents, and students in teaching and learning to read. His reading program is preceded by the published diagnostic test of phonics skills, TOPHS, a phonics assessment that uses rhymes to test students' word inventory. The award-winning reading program "Phonics, Rhythms, and Rhymes" is comprised of 15 books, first published in 1997 and revised in 2004. He has developed phonicsrhythmsrhymes.com to ensure that as many students, parents, and teachers as possible, both nationally and globally, have access to this program.
