Christopher J. Ferraro, Paul Radkowski Robert Lowry MD Sally Bishop Dyck*

a child's primary education is of vital importance it requires well trained teachers with a professional approach to their work faithful to the vision is the story of a teachers training college which set about preparing teachers of that very calibre it is the history of the grahamstown teachers training college the emphasis in the college was on the practical professional training offered the focus was on the holistic education of the student rather than merely on the content of the curriculum faithful to the vision shows that the training college more than earned its reputation as one of the finest training colleges in south africa and that it was a unique educational development this training college was a trail blazer a pioneer in the field of education practices it was the first college in south africa to introduce class music and class singing the first to employ a physical education teacher to have a full time librarian and elocutionist and it was at this training college that the assignment method of study was introduced all these innovations are highlighted in this book

this book systematically assesses the political and social values of the more than 1.3 billion catholics around the globe by far the largest denomination of western christianity based on an extensive analysis of data from the world values survey and other global opinion surveys the book sheds new light on the value systems and opinions of roman catholics the authors highlight core problems and challenges the church is currently facing in adapting to the

modern world including catholic anti semitism religious and sexual tolerance and opinions towards democracy while also offering an anthropological reflection on how well the church is adapting or failing to adapt to the requirements of an open society

this trusted annual publication provides concise and helpful material to inspire and assist those who prepare the mass for each day of the liturgical year

many americans today realize that their own government is steadily becoming the greatest danger and threat to their rights liberties and future prosperity in their attempt to right the errant ways of american government millions of americans have looked to the constitution for answers and yet what is constitutional continues to elude those that we the people elect to political office in recovering american liberty the authors note the importance of the constitution but present an argument that contemporary americans have lost sight of the ethical principles that the constitution was conceived and written in and ratified only in the light of those being the self evident truth principles laid out in the declaration of independence recovering american liberty explores the declaration of independence and each of those self evident truths the authors reason that without americans first becoming a people who once again embrace these principles in the declaration then all their efforts to make america great again will be for not for it is only because americans once honored these principles in their personal lives that america as a nation became great in the first place
