thomas aquinas and medieval canon law bridges for the first time two worlds of scholarship that have never been explored in book length form and investigates an under researched area in thomistic studies namely the question of how thomas aquinas engaged the ecclesiastical law and jurisprudence of his day neither historians of medieval canon law nor experts on thomas s thought have previously paid much attention to the canon law tradition as a source for thomas s work and an influence on his thought but as this volume shows his consideration of mendicant life law justice oaths penance clerical orders the eucharist

baptism property commerce marriage and more reveal engagement with key canon law texts and concepts and with the jurisprudence of major canonists the book uncovers how aquinas encountered canonical regulations and jurisprudence as a dominican an educator in both theology and pastoral care and a participant in the secular mendicant controversy in his life education community and his way of thought thomas aquinas could not avoid and necessarily encountered and dealt with the canonical tradition he did so in a distinctive way working as he did with his theological and philosophical source material to craft his own great synthesis what this volume shows if nothing else is that the canon law tradition should be taken into consideration when assessing thomas s synthetic thought following the editors introduction thirteen scholarly contributions and an epilogue explore aquinas s interaction with medieval canon law through four major themes dominican matters foundations matters of faith truth and law moral matters and sacramental matters approximately half the contributors are specialists from the field of medieval canon law and half are grounded in thomistic tradition the result is a unique and scholarly contribution to two major research areas that may open avenues for similar studies of other key figures in the scholastic tradition

a lieutenant writes of digging through bodies that have the consistency of camembert cheese a mother sends flower seeds to her son at the front hoping that one day someone may see them grow a nurse tends a man back to health knowing he will be court martialled and shot as soon as he is fit edited by the bestselling author of birdsong and dr hope wolf this is an original and illuminating non fiction anthology of writing on the first world war diaries letters and memories testaments from ordinary people whose lives were transformed are set alongside extracts from names that have become synonymous with the war such as siegfried sassoon and t e lawrence a broken world is an original collection of personal and defining moments that offer an unprecedented insight into the great war as it was experienced and as it was remembered
