since the beginning of network television many shows have been preceded by an announcement or theme song that served various purposes in the 1950s and 60s it was common for announcers to declare that a program

had been brought to you by a sponsor who paid for the privilege of introducing a show other programs such as the twilight zone star trek and the odd couple provided a brief encapsulation of the show's subject matter a practice that has continued for recent shows like alias battlestar galactica person of interest and the various editions of law order in television introductions narrated tv program openings since 1949 vincent terrace has assembled openings for more than nine hundred television shows from the past seven decades the only documented history of narrated television program introductions this volume is arranged by type of programming such as comedy drama western game show soap opera and children's show in addition to quoting the opening material entries provide information about each show's network history and years of broadcast many entries include descriptions of the show the names of announcers and a list of main cast members as well as a sponsor pitch exactly as spoken openings for programs with multiple introductions like the adventures of ozzie and harriet and charlie's angels are also included for programs that featured new guest stars every episode such as game shows and variety programs terrace has selected a representative introduction in addition to the theme song credits found in the main text there are also appendixes of theme songs and their composers and or singers as well as a listing of commercial releases on dvd vhs cd and lp of shows and their soundtracks a comprehensive resource for researchers and pop culture aficionados alike television introductions provides a fascinating look at this neglected part of tv history

what can the long dead ancients tell us about our future plenty according to sacred texts and modern science while the modern person has only witnessed one celestial state of the earth ancient peoples have witnessed two science calls these two versions glacial and interglacial earth but to the ancients they are the blue skied earth and the canopied earth and as the earth positions to once again flip to its yet unknown secondary state we can turn to the ancients for answers the first rung weaves together the stories of humanity's epic struggle to understand the past in order to understand the present and most importantly to understand the future this fascinating account provides eye opening insight into the mix of ancient and modern knowledge that defines the earth's celestial environment and author hamid rafizadeh offers a tour of the evidence regarding the earth's two different versions details of which our ancient human ancestors have seen by bringing echoes of the past into the present we can have an intellectual awakening of the knowledge that holds the answers for humanity's survival and well being the unknown hidden past of the ancients haunts the modern humans life it is a dangerous shadow cast on everyone but it is also a knowledge not to be missed

recent research emphasises that feud and vendetta are not merely to be seen as expressions of chaos anarchy

and lawlessness but can be perceived as key to the understanding of these societies feud and vendetta were integrated parts of society and played a fundamental role in shaping pre modern societies at all levels

this title helps to play single double triple and fast money rounds with questions from the actual show
