a field tested pragmatic and resourceful guide to the daunting and
logistically complex management of local church pastors generally
feel equipped to deal with biblical studies theological questions
preaching responsibilities and pastoral care but when it comes to
budgets insurance fire safety and church management many find
themselves at a loss often lay leaders within the congregation
flounder with these tasks as well here finally is the ultimate

reference guide for the practical management of the parish originally created as a sourcebook for the authors week long course on church management and administration at the claremont school of theology the manual in draft version has been field tested by hundreds of pastors and lay leaders not simply a theoretical resource the manual provides suggestions for almost every aspect of parish administration position descriptions various financial forms materials for stewardship and christian education building use and safety issues employee record keeping and much more whether pastors are just out of seminary or well seasoned in parish life the manual is full of excellent guidelines tools and forms for improving the management of the parish
