titles of chemical papers in british and foreign journals included in quarterly journal v 1 12

includes list of members 1882 1902 and proceedings of the annual meetings and various supplements

a collection of critical essays by two different authors but with one common purpose to consider the response of jean jacques rousseau to the challenges posed in the political philosophy of thomas hobbes specifically we discuss the origin and development of rousseau s response to hobbes the importance of that response for some of rousseau s key concepts and at least two directions in which further consideration of that response would be especially fruitful given this purpose our collection of essays is addressed to those interested in the history of modern political philosophy

this monograph is a slightly revised version of chapter 13 of the author s book democratic theory 1962 title page verso
