although max liebermann 1847 1935 began his career as a realist painter depicting scenes of rural labor dutch village life and the countryside by the turn of the century his paintings had evolved into colorful images of bourgeois life and leisure that critics associated with french impressionism during a time of increasing german nationalism his paintings and cultural politics sparked numerous aesthetic and political controversies his eminent career and his reputation intersected with the dramatic and violent events of modern german history from the empire to the third reich the nazis persecution of modern and jewish artists led to the obliteration of liebermann from the narratives of modern art but this volume contributes to the recent wave of scholarly literature that works to recover his role and his oeuvre from an international perspective

patricia bamurangirwa was born in rwanda in 1949 the outbreak of the civil war in the 1960s ended her education and her family fled from rwanda first as refugees to the congo and uganda and later to tanzania and kenya deprived of an education and stable upbringing patricia has become interested in the reason behind the wars and violence rwanda and its people suffered she decided to write this book to set the record straight regarding the common myths about the history of rwanda and its people this book is divided into three parts starting with the formation of rwanda it shows how the tribes banyarwanda tutsi twa and hutu lived in harmony under the rule of a king it then examine rwanda under colonialism when the belgiums devised an ethnic system that raised the hutus above the tutsis and laid the groundwork of the future tensions in the country finally the last part examines rwanda as it entered the period of the 1994 genocide when over 20 of the population was killed and the world stood by the book does not simply narrate events in rwanda s history but seeks to provide some clarity on the cause rather than the effects of the current state of affairs it is not a book simply about the genocide but a look at how the country s history has shaped the events of modern times it is important to understand rwanda s successive periods of history in order to understand today s rwanda and this book presents a fresh perspective on the country and its people
