the textual tension between the real and the imaginary nourishes and complicates the narrative shameless exposes the hypocrisies of kolkata the distrust and hatred that exists between the hindu and muslim communities ashutosh bhardwaj award winning writer and journalist shameless is a far more marinated novel than its predecessor the emotional seesaw between the creator and her creations gives the plot a cerebral intensity nasreen distils hard hitting truth through her lived experiences transforming her individual predicament to strike a universal chord through her deft storytelling somak ghoshal livemint my name is suranjan you don t recognize me you wrote a novel about me it was called lajja one day in calcutta taslima suddenly finds herself face to face with suranjan the principal character from her controversial novel lajja persecuted in their native bangladesh suranjan and his family have like taslima moved to the city across the border but is life for a hindu family from an islamic nation any better in a country where a majority of the population happens to be hindu leading poor unmoored lives exploited and frustrated at every step of the way and always carrying with them the memories of a scarred communal history suranjan and so many others like him seem to lead incomplete lives in their so called safe haven shameless the explosive sequel to lajja is an uncompromising heart breaking look at ordinary people s lives in our troubled times

developers looking to enhance and other applications with dynamic pdf document generation and or manipulation will find this book unique in content and readability

balochistan has been an important contact zone between the indian subcontinent and the iranian plateau it is a region where a variety of languages intermingle different religions jostle for attention and traditional ways of living are challenged by modernity the papers in this volume explore balochistan s linguistic socio political and cultural diversity balochistan is in many ways a marginalised region in pakistan iran and afghanistan traditional economies persist but modernity is rapidly gaining ground tensions between traditionalism and modernity are explored in several articles other articles examine the impact of economic development in balochistan political borders are always problematic and this is particularly so in southwest asia only in the late 19th century were the present borders between iran afghanistan and pakistan drawn as modern nation states were consolidated in the 20th century the baloch found themselves under the dominion of islamabad and tehran the baloch nationalist movement which is treated in a number of articles has

been much stronger in former british india pakistan than in iran a powerful element of self definition in the middle east and south asia is religious belief in balochistan this may take the form of balochi sunni assertions contra persian shia ones or attempts by the minority zikri baloch to resist mainstream sunnism another source of social demarcation is tribal affiliation thus difference between self and other is not always baloch versus non baloch both religious and social demarcations are discussed in various articles in this volume the balochi language is the subject of several articles in the volume this language is a conglomerate of dialects with diverging grammatical systems and it is therefore by no means possible to speak of a standard balochi language throughout history the baloch have been in contact with other groups and this has influenced their language in the eastern parts of the balochi speaking region contact with indo aryan languages is particularly intense as it is in the western parts with persian but other languages are also spoken in balochistan this has created widespread multilingualism where one language the national language or an international language may be used for reading and writing and balochi as well as other local languages are used in various oral domains
