the crew aboard the titanic was prepared to keep the impressive ocean liner running smoothly from the lookouts in the crow's nest to captain e j smith follow titanic's crew members as they complete their daily responsibilities come to terms with the ship's fate and make life and death decisions in the ship's final disastrous moments

titanic's passengers came from various places and walks of life but all found themselves together on an ill-fated ship from luxurious staterooms to third class berths experience what life was like aboard history's most famous ocean liner

on the night of april 14 1912 the unsinkable rms titanic with over 2 200 passengers onboard struck an iceberg in the north atlantic and plunged to a watery grave for decades the riddle has haunted the world now the same csi techniques that are used to solve modern murder cases are applied to history's worst shipping tragedy the answers will astound you book jacket

this book is a major new study dealing with notions of film music as a device that desires to control its audience using a most powerful thing emotion the author emphasises the manipulative and ephemeral character of film music dealing not only with traditional orchestral film music but also looks at film music's colonisation of television and discusses pop music in relation to films and the historical dimensions to ability to possess audiences that have so many important cultural and aesthetic effects it challenges the dominant but limited conception of film music as restricted to film by looking at its use in television and influence in the world of pop music and the traditional restriction of analysis to valued film music either from name composers or from the golden era of classical hollywood focusing on areas as diverse as horror pop music in film ethnic signposting television drama and the soundtrack without a film this is an original study which expands the range of writing on the subject

in so doing he captures both the majesty and the tragedy of this legendary voyage the view from the lifeboat as well as that from the deck book jacket

the first critical analysis of the titanic as modern myth this book focuses on the second of the two titanics the first was the physical titanic the rusting remains of which can still be found twelve thousand feet below the north atlantic the second is the mythical titanic which emerged just as its tangible predecessor slipped from view on 15 april 1912 it is the second of the two titanics which remains the more interesting and which continues to carry cultural resonances today the myth of the titanic begins with the launching of the unsinkable ship and ends with the outbreak of the war to end all wars it provides an insight into the particular culture of late edwardian britain and beyond this draws far greater conclusions about the complex relationship between myth history popular culture and society as a whole

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

rhetorics of display is a pathbreaking volume that brings together a distinguished group of scholars to assess an increasingly pervasive form of rhetorical activity editor lawrence j prelli notes in his introduction that twenty first century citizens continually confront displays of information and images from the verbal images of speeches and literature to visual images of film and photography to exhibits in museums to the arrangement of our homes to the merchandising of consumer goods

for more than 100 years people have been captivated by the disastrous sinking of the titanic that claimed over 1 500 lives now young readers can find out why the great ship went down and how it was discovered seventy five years later at 2 20 a m on april 15 1912 the royal mail steamer titanic the largest passenger steamship of this time met its catastrophic end after crashing into an iceberg of the 2 240 passengers and crew onboard only 705 survived more than 100 years later today's readers will be intrigued by the mystery that surrounds this ship that was originally labeled unsinkable
