my daughter take the child where she s made three days after a young mother gave birth to her firstborn daughter she and her husband were informed by one of america s top cardiothoracic surgeons that the baby s heart did not form properly as of december 8 2002 there was no known fix for her baby s condition shine love joy and peace is a true and startling modern account of divine intervention from heaven as a mother and a father search across america to save their daughter s life instead it became a journey of hope compassion mercy forgiveness and acceptance of the inevitable encounter of lifesaving grace of death and resurrection

mission is contrived from and performed over lived contexts but the visions that guide and drive mission are oftentimes blinded

by power position protection and plenitude this collection visits those matters with queering attention to the shadows that empires cast over the contexts of mission and to the collusion and complicity of christians and churches with empires past as in the case of rome and present as in the case of the united states of america in the interests of those in mission fields who survived but continue to agonize under the burdens of empires the contributors to this work dare to re vision the course and cause of mission writing from minoritized settings in africa asia the americas and oceania the authors interweave the principles and practices of mission with the opportunities in decolonial theology and hermeneutics minoritized and migrant christologies repatriation and the courage to get up and get out indigenous insights and wisdom mission archives stories of resistance and endurance in zones of contact and violence restless souls and returning spirits and life centered spiritual en countering in mission and context as with previous volumes in this series empires do not have the final word nor are they the final world

vocation is most often linked with a specific calling for those in professional ministry doing more with life explores the way higher education can expand this limited understanding of vocation specifically this volume shows that higher education can clarify how god calls all people allow mentoring across specific vocations and inspire future generations to think of their lives as vocations

erlandson articulates the growing frustration that many people have with christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love god and love one s neighbor

this book is a first attempt to combine insights from the two perspectives with regard to the question of meaning by examining a collection of theoretical and empirical works this volume therefore is destined to become an important addition to psychological literature both from the viewpoint of the history of ideas again this would be one of the first times that positive and existentialist psychologies meet and from the viewpoint of theoretical and empirical research into the meaning concept in psychology

life coaching and counselling is an ebook aimed at those wishing to learn more about in how to become a professional life coach or practising life coaches you are introduced to psychological models of motivation and confidence common coaching delivery systems wheels of success and the most effective methods of life coaching you also gain an understanding of the life coach s role and responsibility how to set achievable goals build trust as well as knowledge of how to begin and promote your own business
