organized according to the reading first categories of reading development and instruction as presented in the report of the national reading panel this exciting and timely new text presents teaching strategies for children at risk including children of poverty children for whom english is not their primary language and children with learning and behavioral disabilities these are the children no child left behind challenges teachers to serve more effectively the book is more than a list of teaching strategies that are scientifically validated the scientifically validated practices included are integrated into a systematic teaching process that stresses the use of student outcome data within authentic classroom contexts to guide practice the teaching strategies have been field tested with at risk children in both rural and urban teaching settings most of the strategies have resulted from work the authors did in their recent four year federally funded model demonstration grant in which they have implemented an extensive reading problem prevention model in grades k 3 in three inner city schools thus the teaching strategies in the book are ones that the authors implemented every day with at risk children not just findings from research articles features of this first edition include content organized around the five components validated by the national reading panel phonemic awareness phonics fluency vocabulary and comprehension readers learn how to use dibels and other curriculum based assessment results for early identification of children at risk of reading failure and to monitor student progress a unique feature is using dibels assessments to pinpoint student skill development as they acquire alphabetic principle accompanying dvd shows teacher explicitly teaching letter sound recognition regular word decoding sight words multisyllable word reading passage reading vocabulary and comprehension text explains how to use differentiated instruction to maximize learning for all students specific strategies are detailed for implementing response to intervention rti multi tier instruction during the reading block examines building vocabulary knowledge through direct and indirect teaching strategies

comprehension strategies identified by the national reading panel that help students derive meaning from text are emphasized strategies for individualizing instruction for adolescents and children who are bilingual and or esl are included within each chapter effective strategies for managing classroom behavior including instruction groups are provided so that student behavior does not interfere with reading instruction

each chapter examines the development of one system or method describes its field testing includes solid research on reliability and validity weighs its strengths and limitations and in some cases includes the actual tool discussed a careful compilation of critical information this book will help educational stakeholders choose the most effective systems and methods for assessing literacy outcomes identifying methods that work and highlighting directions for change book jacket

rereading fluency is an important and timely book the authors do not just criticize current policies and practices but offer alternatives for improving the quality of reading assessment and instruction richard l allington has your school spent tens of thousands or more dollars on fluency based reading assessment programs if so you might be getting less for your investment than you think did you know there is little consensus on what exactly fluency is the nrp s report the basis for reading first failed to support its assertion that it is generally acknowledged that fluency is a critical component of skilled reading the relationship between fluency and comprehension may be vastly overstated by the conventional wisdom challenging commonly held notions of the effectiveness and importance of fluency rereading fluency provides the vital information any teacher or administrator needs to determine the most effective way to help students read well combining a careful review of prior research with findings from their own thorough analysis of more than 120 second grade readers bess altwerger nancy jordan and nancy rankie shelton detail why as a measure of reading success fluency can fall flat using a multischool multiprogram study they compare the effects of commercial phonics based programs and noncommercial literature based programs on students fluency and overall proficiency the results will surprise you faster more accurate readers aren t always better comprehenders decoding rates are highly variable among readers with similar comprehension levels commercial phonics based programs do not result in better decoding faster and more accurate reading or better comprehension performance on fluency assessments says little if anything about students ability to read and understand literature altwerger jordan and shelton don t just dismantle the arguments for considering fluency a key component of reading they come through with specific critiques of dibels and offer better ways to assess reading effective and efficient not just fluent that can improve instruction assessment and the success of young readers whether your school is about to mandate a commercial reading program or a standardized fluency assessment or it is trying to get out from under one make rereading fluency and make your powerful research based ally in the battle for improved assessment and instruction
