frederick douglass and the philosophy of religion an interpretation of narrative art and the political addresses douglass s narrative method and the reformed epistemology of analytic theism within the context of incarnational theology timothy j golden argues that in this context douglass s use of narrative maintains a robust moral social and political engagement and thus a closer connection to an authentic christian theology in a way that analytic theism does not to show this contrast golden presents existential and phenomenological interpretations of douglass reading him alongside kierkegaard kafka and levinas golden concludes the book with reflection on how douglass s incarnational theology connects to his future philosophical and theological work which understands consciousness subjectivity as saturated in time understood as history golden argues that the resulting view of consciousness helps to overcome abstraction in a variety of philosophical subfields including jurisprudence and gender studies

this work in the msu press rhetoric and public affairs series chronicles frederick douglass s preparation for a career in oratory his emergence as an abolitionist lecturer in 1841 and his development and activities as a public speaker and reformer from 1841 to 1845 lampe s meticulous scholarship overturns much of the conventional wisdom about this phase of douglass s life and career uncovering new information about his experiences as a slave and as a fugitive it provokes a deeper and richer understanding of this renowned orator s emergence as an important voice in the crusade to end slavery contrary to conventional wisdom douglass was well prepared to become a full time lecturer for the massachusetts anti slavery society in 1841 his emergence as an eloquent voice from slavery was not as miraculous as scholars have led us to believe lampe begins by tracing douglass s life as slave in maryland and as fugitive in new bedford showing that experiences gained at this time in his life contributed powerfully to his understanding of rhetoric and to his development as an orator an examination of his daily oratorical activities from the time of his emergence in nantucket in 1841 until his departure for england in 1845 dispels many conventional beliefs surrounding this period especially the belief that douglass was under the wing of william lloyd garrison lampe s research shows that douglass was much more outspoken and independent than previously thought and that at times he was in conflict with white abolitionists included in this work is a complete itinerary of douglass s oratorical activities correcting errors and omissions in previously published works as well as two newly discovered complete speech texts never before published

this book tests the limits of fugitivity as a concept in recent black feminist and afro pessimist thought it follows the conceptual travels of confinement and flight through three major black writing traditions in north america from the 1840s to the early 21st century cultural analysis is the basic methodological approach and recent concepts of captivity and fugitivity in afro pessimist and black feminist theory form the theoretical framework

frederick douglass once a slave was one of the great 19th century american orators and the most important african american voice of his era this book traces the development of his rhetorical skills discusses the effect of his oratory on his contemporaries and analyzes the specific oratorical techniques he employed the first part is a biographical sketch of douglass s life dealing with his years of slavery 1818 1837 his prewar years of freedom 1837 1861 the civil war 1861 1865 and postwar years 1865 1895 chesebrough emphasizes the centrality of oratory to douglass s life even during the years in slavery the second part looks at his oratorical techniques and concludes with three speeches from different periods students and scholars of communications u s history slavery the civil war and reconstruction and african american studies will be interested in this book

excerpts from criticism of the works of novelists poets playwrights short story writers and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations

this reader rhetoric offers students a variety of clear and powerful approaches to critical reading thinking and writing including the research paper the text provides students with more than sixty readings to explore the connections between critical reading and writing

presents primary source documents arranged alphabetically by author from abigail adams through frederick douglass with analyses brief biographies timelines and discussions of the impact of each document on history
