this volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed scouting for girls a century of girl guides and girl scouts is the first global history of girl scouting and guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in great britain through its international expansion since 1910 millions of girls worldwide have been exposed to

scouting while much has changed since 1910 the core values of scouting guiding are still recognizable in today's programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning but has scouting's very willingness to change with the times undermined its original ideologies and fundamentally changed the movement as girl scouts and guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis given the changing nature of today's societies and the serious problems girls face on a daily basis girl guides and girl scouts will need to be true to their motto be prepared in order to march forward successfully into the future

across the british empire and the world the 1920s and 1930s were a time of unprecedented social and cultural change girls and young women were at the heart of many of these shifts which included the aftermath of the first world war the enfranchisement of women and the rise of the flapper or modern girl out of this milieu the girl guide movement emerged as a response to popular concerns about age gender race class and social instability the british based guide movement attracted more than a million members in over forty countries during the interwar years its success however was neither simple nor straightforward using an innovative multi-sited approach kristine alexander digs deeper to analyze the ways in which guiding sought to mold young people in england canada and india she weaves together a fascinating account that connects the histories of girlhood internationalism and empire while asking how girls and young women understood and responded to guiding's attempts to lead them toward a service-oriented useful feminine future

in a major reinterpretation resisting history reveals that women as subjects of writing and as writing subjects themselves played a far more important role in shaping the landscape of modernism than has been previously acknowledged here barbara ladd offers powerful new readings of three southern writers who reimagined authorship between world war i and the mid 1950s ladd argues that the idea of a new woman released from some of the traditional constraints of family and community more mobile

and participating in new contractual forms of relationality precipitated a highly productive authorial crisis of gender in william faulkner as new women themselves zora neale hurston and eudora welty explored the territory of the authorial sublime and claimed for themselves and other women new forms of cultural agency together these writers expose a territory of female suffering and aspiration that has been largely ignored in literary histories in opposition to the belief that women s lives and dreams are bound up in ideas of community and pre contractual forms of relationality ladd demonstrates that all three writers faulkner in as i lay dying welty in selected short stories and in the golden apples and hurston in tell my horse place women in territories where community is threatened or nonexistent and new opportunities for self definition can be seized and in a fable faulkner undertakes a related project in his exploration of gender and history in an era of world war focusing on men mourning and resistance and on the insurgences of the masses the feminized others of history in order to rethink authorship and resistance for a totalitarian age filled with insights and written with obvious passion for the subject resisting history challenges received ideas about history as a coherent narrative and about the development of u s modernism and points the way to new histories of literary and cultural modernisms in which the work of women shares center stage with the work of men

despite the fact that scouting has touched the lives of a quarter of a billion boys and girls and their leaders around the world in the past century its history has been largely ignored scouting frontiers youth and the scout movement s first century is the first book to discuss the history and principal themes of the boy scout and girl guide movements on an international scale inspired by presentations at the ground breaking 2008 johns hopkins university symposium scouting a centennial history the authors examine the world s greatest youth movement through the diverse experiences of its members and their organizations from muslim scouts in wales to french scouts in syria to girl guides in colonial kenya scouting has responded to the challenges of international expansion and transformed itself to address cultural political and social diversity scouting frontiers focuses particularly on the intersections between scouting s origins and its transformations over the last century as it faced frontiers of nation empire religion race class and gender
