in the late 18th and early 19th centuries attitudes toward history and national identity fostered a romantic rediscovery of folk and fairy tales this is the period of the golden age of folk and fairy tales when european folklorists sought to understand and redefine

the present through the common tales of the past and long neglected stories became recognized as cultural treasures in this rich collection distinguished expert of fairy tales jack zipes continues his lifelong exploration of the story telling tradition with a focus on the golden age included are one hundred eighty two tales many available in english for the first time grouped into eighteen tale types zipes provides an engaging general introduction that discusses the folk and fairy tale tradition the impact of the brothers grimm and the significance of categorizing tales into various types short introductions to each tale type that discuss its history characteristics and variants provide readers with important background information also included are annotations short biographies of folklorists of the period and a substantial bibliography eighteen original art works by students of the art department of anglia ruskin university not only illustrate the eighteen tale types but also provide delightful and sometimes astonishing 21st century artistic interpretations of them

illustrated retelling of 14 standard fairy tales

encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present folktales and fairy tales have long played an important role in cultures around the world they pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games this second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets alphabetically organized and global in scope the work is the only multivolume reference in english to offer encyclopedic coverage of this subject matter the four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types writers and illustrators are included as are filmmakers and composers and of course the tales themselves the expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts while most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource

2009 choice outstanding academic title where did cinderella come from puss in boots rapunzel the origins of fairy tales are looked at in a new way in these highly engaging pages conventional wisdom holds that fairy tales originated in the oral traditions of peasants and were recorded for posterity by the brothers grimm during the nineteenth century ruth b bottigheimer overturns this view in a lively account of the origins of these well loved stories charles perrault created cinderella and her fairy godmother but no countrywoman whispered this tale into perrault s ear instead his cinderella appeared only after he had edited it from the book of often amoral tales published by giambattista basile in naples distinguishing fairy tales from folktales and showing the influence of the medieval romance on them bottigheimer documents how fairy tales originated as urban writing for urban readers and listeners working backward from the grimms to the earliest known sixteenth century fairy tales of the italian renaissance bottigheimer argues for a book based history of fairy tales the first new approach to fairy tale history in decades this book answers questions about where fairy tales came from and how they spread illuminating a narrative process long veiled by surmise and assumption

who says that english folk have no fairy tales of their own the present volume contains only a selection out of some 140 of which i have found traces in this country it is probable that many more exist a quarter of the tales in this volume have been collected during the last ten years or so and some of them have not been hitherto published up to 1870 it was equally said of france and of italy that they possessed no folk tales yet within fifteen years from that date over 1000 tales had been collected in each country i am hoping that the present volume may lead to equal activity in this country and would earnestly beg any reader of this book who knows of similar tales to communicate them written down as they are told to me care of mr nutt the only reason i imagine why such tales have not hitherto been brought to light is the lamentable gap between the governing and recording classes and the dumb working

classes of this country dumb to others but eloquent among themselves it would be no unpatriotic task to help to bridge over this gulf by giving a common fund of nursery literature to all classes of the english people and in any case it can do no harm to add to the innocent gaiety of the nation a word or two as to our title seems necessary we have called our stories fairy tales though few of them speak of fairies footnote for some recent views on fairies and tales about fairies see notes the same remark applies to the collection of the brothers grimm and to all the other european collections which contain exactly the same classes of tales as ours yet our stories are what the little ones mean when they clamour for fairy tales and this is the only name which they give to them one cannot imagine a child saying tell us a folk tale nurse or another nursery tale please grandma as our book is intended for the little ones we have indicated its contents by the name they use the words fairy tales must accordingly be taken to include tales in which occurs something fairy something extraordinary fairies giants dwarfs speaking animals it must be taken also to cover tales in which what is extraordinary is the stupidity of some of the actors many of the tales in this volume as in similar collections for other european countries are what the folklorists call drolls they serve to justify the title of merrie england which used to be given to this country of ours and indicate unsuspected capacity for fun and humour among the unlettered classes the story of tom tit tot which opens our collection is unequalled among all other folk tales i am acquainted with for its combined sense of humour and dramatic power the first adjective of our title also needs a similar extension of its meaning i have acted on moli re s principle and have taken what was good wherever i could find it thus a couple of these stories have been found among descendants of english immigrants in america a couple of others i tell as i heard them myself in my youth in australia one of the best was taken down from the mouth of an english gipsy i have also included some stories that have only been found in lowland scotch i have felt justified in doing this as of the twenty one folk tales contained in chambers popular rhymes of scotland no less than sixteen are also to be found in an english form with the folk tale as with the ballad lowland scotch may be regarded as simply a dialect of english and it is a mere chance whether a tale is extant in one or other or both i have also rescued and re told a few fairy tales that only exist now a days in the form of ballads there are certain indications that the common form of the english fairy tale was the cante fable a mixture of narrative and verse of which the most illustrious example in literature is

aucassin et nicolette

mirror mirror on the wall who in this land is fairest of all undoubtedly the most famous of the brothers grimm fairytales snow white is the story of a girl as white as snow as red as blood and as black as ebony who is the victim of her mother the jealous queen but with the help of seven dwarfs she just might be able to live happily ever after in these new translations the original and final versions of snow white from the first and seventh editions of the brothers grimm s children s and household tales are brought to life for an english readership to enjoy one after the other complete with black and white illustrations by franz jüttner folklore type atu 709 snow white

this bestselling anthology of folk and fairy tales brings together 54 stories 9 critical articles and 24 color illustrations from a range of historical and geographic traditions sections group tales together by theme or juxtapose variations of individual tales inviting comparison and analysis across cultures and genres accessible critical selections provide a foundation for readers to analyze debate and interpret the tales for themselves an expanded introduction by the editors looks at the history of folk and fairy tales and distinguishes between the genres while revised introductions to individual sections provide more detailed history of particular tellers and tales paying increased attention to the background and cultural origin of each tale this new edition includes a larger selection of critical articles including pieces by j r r tolkien and marina warner more modern and cross cultural variations on classic tales including stories by neil gaiman and emma donoghue and an expanded selection of color illustrations

more celtic fairy tales is part of a series written by the australian born folklorist joseph jacobs in this book feature over two dozen stories taken from popular oral tradition and united with john d batten s black and white drawings full of movement and energy stories include the fate of the children of lir jack the cunning thief morraha the farmer of liddesdale the legend of knockgrafton how cormac mac art went to faery and many others heavily influenced by the brothers grimm and the romantic nationalism ubiquitous in his contemporary folklorists jacobs was responsible for introducing english fairy tales to english children who had previously chiefly enjoyed those derived from french and german folklore beautifully illustrated by john d batten these timeless fairy tales make for ideal bedtime reading and are not to be missed by collectors john

dickson batten 1860 1932 was a british painter illustrator and print maker who was a leading light in the art nouveau movement he illustrated a number of of fairy tale books written by joseph jacobs including english fairy tales 1890 indian fairy tales 1912 and european folk and fairy tales 1916 presented alongside the text of celtic fairy tales his illustrations further refine and elucidate joseph jacob s enchanting narratives pook press celebrates the great golden age of illustration in children s classics and fairy tales a period of unparalleled excellence in book illustration we publish rare and vintage golden age illustrated books in high quality colour editions so that the masterful artwork and story telling can continue to delight both young and old
