The Seven Circles model comprises interconnected circles that keep all aspects of our lives in balance, functioning in harmony with one another. In the Seven Circles, Luger and Collins share intimate stories from their life journeys growing up in tribal communities from the indigenous tradition of staying active and spiritually centered through running and dance to the universal indigenous emphasis on a light-filled minimalist home to create sacred space. Along the way, Luger and Collins invite readers to both adapt these teachings to their lives as well as do so without appropriating and erasing the original context, representing a critical new ethos for the wellness space. Each chapter closes with practical advice on how to engage with the teachings as well as wisdom for keeping that particular circle in harmony with the others with warmth and generosity.
