5 Frequently Asked Questions

1. Where can I find a digital version of the Ford Everest owners manual? You can often download a PDF version from the Ford website using your VIN number or vehicle details. Alternatively, the FordPass app may also provide access.
2. My warning light is flashing; what should I do? Consult the section on warning lights in your owners manual to identify the meaning of the flashing light. If the issue persists or you are unsure, contact Ford roadside assistance or a qualified mechanic.
3. How often should I rotate my tires? Your owners manual will provide specific recommendations, but generally, tire rotation should be performed every 5000-8000 miles.
4. What is the towing capacity of my Ford Everest? The towing capacity varies depending on the specific model year and engine configuration. Check the specifications section of your owners manual for the exact towing capacity of your vehicle.
5. How do I update the software in my Ford Everest's infotainment system? Check your FordPass app for available software updates. The process is typically outlined in the infotainment section of your owners manual or within the app itself. You might also find helpful videos on the Ford website or YouTube.
