during the 1960s the automobile finally secured its position as an indispensable component of daily life in Britain car ownership more than doubled from approximately one car for every 10 people in 1960 to one car for every 4.8 people by 1970 consumers no longer asked do we need a car but what car shall we have this well illustrated history analyzes how both domestic car manufacturers and importers advertised their products in this growing market identifying trends and themes over 180 advertisement illustrations are included

this is a story where the richness of life has been found in ordinary things family sport and faith for this ordinary man life's meaning is not found in pursuing power or money but in living everyday life searching only to find value in life itself beginning in dramatic events of wartime Europe and its aftermath the story moves to its main location a New Zealand undergoing great changes in its way of life early personal insecurities and lack of self belief became part of a lesson which precedes a journey into confidence and a wonderful realisation that the greatest gift of all is to get to know that as an ordinary human being he is the equal of any other person on earth it is a story that leads all ordinary people to realise that we have this gift within us and there is no need to desire anything else

vols for 1871 76 1913 14 include an extra number the Christmas bookseller separately paged and not included in the consecutive numbering of the regular series

the 1960s and 1970s were a pivotal period for Ford in Europe and seen from a British perspective were a time of experimentation and exploration at the start of the 1960s Ford had models aimed at just two market sectors small family saloons and large family saloons but by the end of the 1970s they were represented in no fewer than five areas of the market with small hatchbacks small saloons medium saloons sporty coupés and large saloons and they had overtaken all rivals in Britain to be the best selling manufacturer with since 1967 the Cortina as the best selling car with over 270 photographs this book details the Ford company structure businesses and key locations throughout the two decades the factors influencing model design engineering styling and interior specification and performance tables market reception and sales special editions models produced overseas and conversions and finally helpful buying advice for each model

a stunning visual celebration of cars over a century of progress introducing the story of the car a
