a succinct readable survey of key christian thinkers and significant theological developments from the church s inception to the present

in an outline of the history of christian thought since kant edward caldwell moore provides a comprehensive analysis of the evolution of christian philosophical discourse from the late 18th century to the modern era the book is notable for its systematic approach tracing the influence of kantian philosophy while identifying key thinkers and movements that shaped christian thought moore Äôs scholarly style combines rigorous examination with lucid prose resulting in an accessible yet intellectually rich resource for readers interested in theology philosophy and the interplay between faith and reason in contemporary thought edward caldwell moore an esteemed theologian and philosopher was deeply influenced by the intellectual currents of his time as well as the challenges faced by christianity in a rapidly modernizing world his academic

background and engagement with existential and post enlightenment philosophy allowed him to address the pressing debates surrounding faith ethics and epistemology moore's commitment to fostering dialogue between tradition and contemporary thought reflects his belief in the necessity of evolving theological frameworks this book is highly recommended for scholars students and anyone curious about the complexities of modern christian thought moore's insightful outline not only serves as an introduction to essential concepts and figures but also provokes critical reflection on the relevance of christian philosophy in today's diverse intellectual landscape

in this first of a three part series designed to display the rich variety and complexity in christian thought both theological students and lay readers can benefit from dr gonzalez broad ecumenical scope and theological understanding publisher

the new edition has been enlarged by the addition of chapters on the sacraments and on the church and the ministry pref includes bibliographical references and index

an outline of the history of christian thought since kant is a piece of religious text written by american theologian edward caldwell moore

after receiving a 2016 diagnosis of cancer the author began to ask if he had time on earth to complete only one more dream what would it be love the foundation of christian thought and wisdom is the beginning of that answer it is a hopeful work that invites christians to embrace not just the theology of the bible but the christology as well noting that hard edged theology often ends up closing circles and hearts the author

points towards a holy word whose gentle daily christology asks us to open our hearts warts and all to god ourselves and others love highlights 1 corinthians as the bible s christological center in co narrative with its romans theological center in so doing it shines an unexpectedly simple but deep light on exactly what god is asking of us in the name of christian love

olson s clear and concise overview roots contemporary questions firmly in christian responses to the enlightenment he discusses the range of contemporary opinions their rationales and what s at stake olson illustrates these alternate frameworks as they play out in central concerns over the being of god in relation to the universe how to understand the figure of christ today and the distinctively new notions of being human specifically geared to the novice theologian in college or seminary settings olson s text includes reflection research questions suggestions for further reading and a glossary

illuminates the history and development of christian thought by offering selections from the writings of 55 great christian theologians the volume includes substantial excerpts from notable women theologians and from black and liberation perspectives plus a new section from deceased theologians such as thomas merton martin luther king jr and karl rahner each passage is prefaced by detailed introductory comments on the life and thought of each theologian and the significance of his her work

letters to young scholars is designed primarily for college students advanced high school students and church and parachurch study groups on spiritual development as a college text the book introduces beginning students to the general education or liberal arts portion of a christian college education it gives

major emphasis to the humanities and social science disciplines the integration of the christian faith with those disciplines and the application of christian thought to daily living applied christianity it seeks to challenge the students to become broader in perspective and appreciation more compassionate toward all of god s creatures and more confident and committed as they develop their worldviews and personal values

through insightful introductions and the judicious editing of 60 selections christopher dorn s peace in christian thought and life captures the great sweep and wide divergences in the two millennium argument of christians among themselves over peace war violence and the imperatives of the gospel from the unyielding idealism of the early christians to the scarred skepticism of the nuclear era the book traces the deepening appreciation of human complexity against the perennial vision and pursuit of peace for those who are wrestling with the complex calculus of war and peace violence and social justice dorn s reader provides both historical breadth and theological depth subject religious studies christianity
